The joint venture, being a full-function entity, is expected to operate independently and enhance the availability and quality of aviation training services in Pakistan.

The CCP's evaluation concluded that the transaction is unlikely to substantially lessen competition or create a dominant position in the relevant market. Therefore, the merger has been authorized under Section 31(1)(d)(i) of the Act.

CCP Approves Fly Jinnah & Air Arabia's New Aviation Training Venture

The Competition Commission of Pakistan (CCP) has given the green light to a strategic partnership between Fly Jinnah Services (Private) Limited and Air Arabia Academy LLC.

The two companies will collaborate to establish Fly Jinnah T3 Flight Academy (Private) Limited, a specialized training institute aimed at enhancing aviation education in Pakistan.

The approval follows a detailed assessment of the pre-merger application submitted under the Competition (Merger Control) Regulations, 2016.

According to the agreement, both organizations will collectively invest in launching the new academy, focusing on developing skilled aviation professionals in the country.

Fly Jinnah Expands Flight Operations to Saudi Arabia

During its evaluation, the CCP determined that this joint venture falls under a conglomerate transaction, meaning there are no competitive overlaps between the two companies.

Fly Jinnah operates in the commercial airline sector, whereas Air Arabia Academy specializes in aviation training within the UAE.

Since the newly formed entity will function independently, it is expected to expand and improve aviation training services in Pakistan.

The Commission concluded that this collaboration does not pose any significant risk to market competition nor does it establish a monopoly. Based on this analysis, the merger has been approved under Section 31(1)(d)(i) of the Act.

This partnership is expected to boost the aviation industry by strengthening technical training facilities and providing new career opportunities for aspiring professionals.

By introducing global training standards, the initiative aims to equip future pilots and aviation personnel with high-quality education, contributing to the overall growth of Pakistan's aviation sector.

فلائی جناح اور ایئر عربیہ کا جوائنٹ وینچر، پاکستان میں تربیتی اکیڈمی

مسابقتی کمیشن آف پاکستان (سی سی پی) نے پاکستان کی نجی ایئر لائن فلائی جناح اور شارجہ کی ایئر لائن ایئر عربیہ کو جوائنٹ وینچر کرنے کی اجازت دے دی ہے جس کے تحت دونوں ایئر لائنز پاکستان میں ٹی3 فلائی اکیڈمی بنائیں گی جہاں پائلٹس اور عملے کو تربیت فراہم کی جائے گی۔

پیر کو مسابقتی کمیشن کی جانب سے جاری اعلامیے میں بتایا گیا ہے کہ سی سی پی نے فلائی جناح سروسز (پرائیویٹ) لمیٹڈ اور ایئر عربیہ اکیڈمی ایل ایل سی کے درمیان جوائنٹ وینچر کی منظوری دے دی ہے۔ مذکورہ دونوں کمپنیاں پاکستان میں ہوا بازی کی تربیت کی خدمات پیش کرنے کے لیے ایک نیا تربیتی ادارہ، فلائی جناح ٹی3 فلائی اکیڈمی (پرائیویٹ) لمیٹڈ قائم کریں گی۔ مسابقتی کمیشن کے مطابق نیا ادارہ پاکستان میں ہوا بازی کی تربیت کی خدمات پیش کرے گا۔ اکیڈمی کے 51 فیصد حصص کی مالک فلائی جناح جبکہ 49 فیصد کی ایئر عربیہ اکیڈمی ہو گی۔ اس اقدام سے پاکستان میں ہوا بازی کی تربیت کی خدمات اور معیار بہتر ہو گا۔

اعلامیے میں مزید کہا گیا ہے کہ مسابقتی کمیشن نے کمپٹیشن ریگولیشنز 2016 کے تحت دونوں فریقین کی جانب سے جمع کرائی گئی پری مرجر کی درخواست کا جائزہ لیا۔ معاہدے کے مطابق، دونوں فریق نئی کمپنی میں سرمایہ کاری کریں گے۔ مسابقتی جائزے میں سامنے آیا ہے کہ یہ ٹرانزیکشن بین الاقوامی نوعیت کی ہے، جو متعلقہ شعبہ میں مسابقت پر اثر انداز نہیں ہوگی۔ فلائی جناح کمرشل ایئر لائن خدمات پیش کرتی ہے جبکہ ایئر عربیہ اکیڈمی متحدہ عرب امارات میں ہوا بازی کی تربیت کے شعبہ سے وابستہ ہے۔ ایک الگ ادارے کے قیام کے لیے کیا گیا یہ جوائنٹ وینچر متوقع طور پر آزادانہ حیثیت میں کام کرے گا اور پاکستان میں ہوا بازی کی تربیت کی خدمات کی دستیابی اور معیار کو بہتر بنائے گا۔

مسابقتی کمیشن نے تفصیلی جائزے کے بعد فیصلہ دیا ہے کہ اس جوائنٹ وینچر سے متعلقہ مارکیٹ میں مسابقت میں کمی یا غالب پوزیشن بننے کا امکان موجود نہیں لہذا کمیشن نے اس مرجر کی اجازت دے دی ہے۔
