

COMPETITION COMMISSION OF PAKISTAN

Government of Pakistan

Proposals No. CCP-ADMIN 98

Request for Proposals (RFP)

For

Procurement of Consultancy Services for Project Management & Detailed Construction Supervision.

The Competition Commission of Pakistan (CCP), an autonomous organization invites sealed Proposals (Technical and Financial), from renowned Consultancy organizations (firms/ companies/ Joint Ventures etc.) registered with Income Tax and Sales Tax Departments and on active taxpayers list of Federal Board of Revenue, having relevant and valid licenses from Pakistan Engineering Council (PEC) and Pakistan Council of Architects and Town Planners (PCATP) as stipulated in RFP, for the Construction of Office Building of Competition Commission of Pakistan, Plot No. 36 & 38, Sector G-10/4, Mauve Area Islamabad. The Consultancy organizations must register with PPRA for e-procurement on e-PADS (<https://eprocure.gov.pk>). The Procurement of the Consultancy Services is based on Quality and Cost Based Selection (QCBS) Method under Single Stage – Two Envelope Procedure.

The RFP containing requisite information is available and may be downloaded from e-PADS (<https://eprocure.gov.pk>) or PPRA website (www.ppra.gov.pk) or CCP's website (www.cc.gov.pk), free of cost.

The Proposals (Technical & Financial), prepared in accordance with the instructions provided in the RFP, must be submitted on e-PADS (<https://eprocure.gov.pk>) through electronic means only, on or before **April 16, 2024 up to 1500 Hours**. Technical Proposals will be opened the same day at **1530 hours**.

(Note: Late submissions will not be entertained and thereof will be direct rejected.). CCP shall not be liable for any reimbursement of cost/ damages in respect of preparation, visits by representatives at site and CCP Office, presentations of proposals etc. by the bidders/ consultants.

Section II: Instructions to Consultants (ITC)

A – General Provisions	
1. Definitions	<p>1.1 Definition:</p> <ul style="list-style-type: none">a) “Affiliate(s)” means an individual or an entity that directly or indirectly controls, is controlled by, or is under common control with the Consultant.b) “Applicable Law” means the laws and any other instruments having the force of law in Pakistan, or in such other country as may be specified in the Data Sheet, as they may be issued and in force from time to time.c) “Consultant” means a legally established professional consulting firm or an entity that may provide or provides the Services to the Procuring Agency under the Contract.d) “Contract” means a legally binding written agreement signed between the Procuring Agency and the Consultant and includes all the attached documents listed in its Clause 1 (the General Conditions of Contract (GCC), the Special Conditions of Contract (SCC), and the Appendices).e) “Data Sheet” means an integral part of the Instructions to Consultants (ITC) Section 2 that is used to reflect specific country and assignment conditions to supplement, but not to over-write, the provisions of the ITC.f) “Day” means a calendar day.g) “Experts” means, collectively, Key Experts, Non-Key Experts, or any other personnel of the Consultant, Sub-consultant, or Joint Venture member(s).h) “Joint Venture (JV)” means an association with or without a legal personality distinct from that of its members, of more than one Consultant where one member has the authority to conduct all business for and on behalf of any and all the members of the JV, and where the members of the JV are jointly and severally liable to the Procuring Agency for the performance of the Contract.i) “Key Expert(s)” means an individual professional whose skills, qualifications, knowledge, and experience are critical to the performance of the Services under the Contract and whose CV is taken into account in the technical evaluation of the Consultant’s proposal.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>j) "ITC" (this Section 2 of the RFP) means the Instructions to Consultants that provides the Consultants with all information needed to prepare their Proposals.</p> <p>k) "LOI" (this Section 1 of the RFP) means the Letter of Invitation being sent by the Procuring Agency to the Consultants.</p> <p>l) "Non-Key Expert(s)" means an individual professional provided by the Consultant or its Sub-consultant and who is assigned to perform the Services or any part thereof under the Contract and whose CVs are not evaluated individually.</p> <p>m) "Proposal" means the Technical Proposal and the Financial Proposal of the Consultant.</p> <p>n) "RFP" means the Request for Proposals to be prepared by the Procuring Agency for the selection of Consultants, based on the SRFP.</p> <p>o) "Services" means the work to be performed by the Consultant pursuant to the Contract.</p> <p>p) "SRFP" means the Standard Request for Proposals, which must be used by the Procuring Agency as the basis for the preparation of the RFP.</p> <p>q) "Sub-consultant" means an entity to whom the Consultant intends to subcontract any part of the Services while remaining responsible to the Procuring Agency during the performance of the Contract.</p> <p>r) "TORs" (this Section 7 of the RFP) means the Terms of Reference that explain the objectives, scope of work, activities, and tasks to be performed, respective responsibilities of the Procuring Agency and the Consultant, and expected results and deliverables of the assignment.</p>
<p>2. Introduction</p>	<p>2.1 The Procuring Agency named in the Data Sheet intends to select a Consultant from those listed in the Letter of Invitation, in accordance with the method of selection specified in the Data Sheet. The eligible Consultants are invited to submit a Technical Proposal and a Financial Proposal, or a Technical Proposal only, as specified in the Data Sheet, for consulting services required for the assignment named in the Data Sheet. The Proposal will be the basis for negotiating and ultimately signing the Contract with the selected Consultant.</p> <p>2.2 The Consultants should familiarize themselves with the local conditions and take them into account in</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>preparing their Proposals, including attending a pre-proposal conference if one is specified in the Data Sheet. Attending any such pre-proposal conference is optional and is at the Consultants' expense.</p> <p>2.3 The Procuring Agency will timely provide, at no cost to the Consultants, the inputs, relevant project data, and reports required for the preparation of the Consultant's Proposal as specified in the Data Sheet.</p>
<p>3. Conflict of Interest</p>	<p>3.1 The Consultant is required to provide professional, objective, and impartial advice, at all times holding the Procuring Agency's interests paramount, strictly avoiding conflicts with other assignments or its own corporate interests, and acting without any consideration for future work.</p> <p>3.2 The Consultant has an obligation to disclose to the Procuring Agency any situation of actual or potential conflict that impacts its capacity to serve the best interest of its Procuring Agency. Failure to disclose such situations may lead to the disqualification of the Consultant or the termination of its Contract and/or sanctions by the Authority.</p> <p>3.3 Without limitation on the generality of the foregoing, the Consultant shall not be hired under the circumstances set forth below:</p>
<p>a. Conflicting Activities</p>	<p>i. <u>Conflict between consulting activities and procurement of goods, works or non-consulting services:</u> a firm that has been engaged by the Procuring Agency to provide goods, works, or non-consulting services for a project, or any of its Affiliates, shall be disqualified from providing consulting services resulting from or directly related to those goods, works, or non-consulting services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, or any of its Affiliates, shall be disqualified from subsequently providing goods or works or non-consulting services resulting from or directly related to the consulting services for such preparation or implementation.</p>
<p>b. Conflicting assignments</p>	<p>ii. <u>Conflict among consulting assignments:</u> a Consultant (including its Experts and Sub-consultants) or any of its Affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant for the same or for another Procuring Agency.</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

<p>c. Conflicting relationships</p>	<p>iii. <u>Relationship with the Procuring Agency’s staff:</u> a Consultant (including its Experts and Sub-consultants) that has a close business or family relationship with a professional staff of the Procuring Agency, or of a recipient of a part of the financing in case the project is financed by some financing institution) who are directly or indirectly involved in any part of (i) the preparation of the Terms of Reference for the assignment, (ii) the selection process for the Contract, or (iii) the supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Authority throughout the selection process and the execution of the Contract.</p>
<p>4. Unfair Competitive Advantage</p>	<p>4.1 Fairness and transparency in the selection process require that the Consultants or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to the assignment in question. To that end, the Procuring Agency shall indicate in the Data Sheet and make available to all eligible Consultants together with this RFP all information that would in that respect give such Consultant any unfair competitive advantage over competing Consultants.</p>
<p>5. Corrupt and Fraudulent Practices</p>	<p>5.1 The Authority requires compliance with its Regulatory Framework in regard to corrupt and fraudulent practices as set forth in Section 6.</p> <p>5.2 In further pursuance of this Regulatory Framework, Consultants shall permit and shall cause their agents (where declared or not), sub-contractors, sub-consultants, service providers, suppliers, and personnel, to permit the Procuring Agency to inspect all accounts, records and other documents relating to any shortlisting process, Proposal submission, and contract performance (in the case of award), and to have them audited by auditors appointed by the Procuring Agency.</p>
<p>6. Eligible Consultants</p>	<p>6.1 The Procuring Agency permits consultants (Organizations, companies, and firms, including Joint Ventures, consortium) from all countries to offer consulting services for the project.</p> <p>6.2 Furthermore, it is the Consultant’s responsibility to ensure that its Experts, joint venture members, consortium members, Sub-consultants, agents (declared or not), sub-contractors, service providers,</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	suppliers and/or their employees meet the eligibility requirements. As an exception to the foregoing Clauses 6.1 and 6.2 above:
a. Sanctions	6.3 An organization or an individual declared blacklisted by the Authority in accordance with the above Clause 5.1 shall be ineligible to participate in the procurement process or to be awarded a contract, during such period of time as the Authority shall determine. The list of debarred firms and individuals is available at the electronic address specified in the Data Sheet .
b. Prohibitions	6.4 Organizations and individuals of a country or goods manufactured in a country may be ineligible if so indicated in Section 5 (Eligible Countries).
c. Restrictions for Public Employees	6.5 Government officials and civil servants of Pakistan are not eligible to be included as Experts in the Consultant's Proposal unless such engagement does not conflict with any employment or other laws, regulations, or policies of the Government of Pakistan, and they (i) are on leave of absence without pay, or have resigned or retired; (ii) are not being hired by the same agency they were working for before going on leave of absence without pay, resigning, or retiring (in case of resignation or retirement, for a period of at least two years, or the period established by statutory provisions applying to civil servants or government employees whichever is longer. Experts who are employed by the government-owned universities, educational or research institutions are not eligible unless they have been full time employees of their institutions for a year or more prior to being included in Consultant's Proposal.); and (iii) their hiring would not create a conflict of interest.
B. Preparation of Proposals	
7. General Considerations	7.1 In preparing the Proposal, the Consultant is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.
8. Cost of Preparation of Proposals	8.1 The Consultant shall bear all costs associated with the preparation and submission of its Proposal, and the Procuring Agency shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. The Procuring Agency is not bound to

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	accept any proposal and reserves the right to annul the selection process in accordance with the procurement regulatory framework at any time prior to Contract award, without thereby incurring any liability to the Consultant.
9. Language	9.1 The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Consultant and the Procuring Agency, shall be written in the language(s) specified in the Data Sheet.
10. Documents Comprising the Proposals	10.1 The Proposal shall comprise the documents and forms listed in the Data Sheet. 10.2 If specified in the Data Sheet , the Consultant shall include a statement of an undertaking of the Consultant to observe, in competing for and executing a contract, the Procuring Regulatory Framework regarding corrupt and fraudulent practices.
11 Only One Proposal	11.1 The Consultant (including Joint Venture) shall submit only one Proposal, either in its own name or as part of a Joint Venture in another Proposal. If a Consultant, including any Joint Venture member, submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This does not, however, preclude a Sub-consultant, or the Consultant's staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify and if stated in the Data Sheet and subject to regulatory instructions, if any.
12 Proposal Validity	12.1 Proposals shall remain valid for the period specified in the Data Sheet after the Proposal submission deadline prescribed by the PA. To ensure the validity of proposal, it shall contain bid/proposal security or bid/proposal securing declaration as a complementary bid/proposal securing instrument having the validity twenty-eight days more than the bid/proposal validity period. 12.2 During this period, the Consultant shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates, and the total price. 12.3 If it is established that any Key Expert nominated in the Consultant's Proposal was not available at the time of Proposal submission or was included in the Proposal without his/her confirmation, such Proposal shall be disqualified and rejected for further evaluation, and may

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>be subject to blacklisting and debarment in accordance with Clause 5 of this ITC.</p>
<p>a. Extension of Validity Period</p>	<p>12.4 If considered necessary, an extension can be made in case of exceptional circumstances (beyond the control of the procuring agency) after recording the reason(s) in writing. Such extension shall be only once, and the period of the extension should be determined keeping in view of the circumstances under which such extension is deemed to be necessary, however, the same shall not be more than the original bid validity period. The request and the responses shall be made in writing. Moreover, any such extension shall be solicited and procured in advance prior to the expiry of original (or initial) bid validity period. Bid/Proposal Securing Instrument shall also be extended in conformity with the period of extension.</p> <p>12.5 If the Consultant agrees to extend the validity of its Proposal, it shall be done without any change in the original Proposal and with the confirmation of the availability of the Key Experts.</p> <p>12.6 The Consultant has the right to refuse to extend the validity of its Proposal in which case such Proposal will not be further evaluated.</p>
<p>b. Substitution of Key Experts at Validity Extension.</p>	<p>12.7 If any of the Key Experts become unavailable for the extended validity period, the Consultant shall provide a written adequate justification and evidence satisfactory to the Procuring Agency together with the substitution request. In such case, a replacement Key Expert shall have equal or better qualifications and experience than those of the originally proposed Key Expert. The technical evaluation score, however, will remain to be based on the evaluation of the CV of the original Key Expert.</p> <p>12.8 If the Consultant fails to provide a replacement Key Expert with equal or better qualifications, or if the provided reasons for the replacement or justification are unacceptable to the Procuring Agency, such Proposal will be rejected.</p>
<p>c. Sub-Contracting</p>	<p>12.9 The Consultant shall not subcontract the whole of the Services.</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>12.10 The Proposal Securing Declaration is required to protect the Procuring Agency against the risk of Consultant's conduct which would warrant the consultant to face the blacklisting or debarment proceedings in accordance with regulatory framework.</p> <p>12.11 Any Proposal not accompanied by a Proposal Securing Declaration shall be rejected by the Procuring Agency as non-responsive.</p> <p>12.12 The Proposal Securing Declaration of a joint venture must be in the name of the joint venture submitting the Proposal.</p> <p>12.13 The successful Consultant's Proposal Securing Declaration will be discharged upon signing the contract with the Successful Consultant and furnishing the performance security.</p> <p>12.14 Consultant shall be suspended from being eligible for tendering in any contract with the Procuring Agency for the period of time indicated in the Proposal Securing Declaration:</p> <ul style="list-style-type: none">(a) if the Consultant withdraws its Proposal, except as provided in ITC 12.6 or(b) in the case of a successful Consultant, if the Consultant fails within the specified time limit to:<ul style="list-style-type: none">(i) sign the contract, or(ii) furnish the required performance security.
<p>13 Clarification and Amendment of RFP</p>	<p>13.1 The Consultant may request a clarification of any part of the RFP during the period indicated in the Data Sheet before the Proposals' submission deadline. Any request for clarification must be sent in writing, or by standard electronic means, to the Procuring Agency's address indicated in the Data Sheet. The Procuring Agency will respond in writing, or by standard electronic means, and will send written copies of the response (including an explanation of the query but without identifying its source) to all eligible Consultants. Should the Procuring Agency deem it necessary to amend the RFP as a result of a clarification or at its own initiative, it shall do so following the procedure described below:</p> <ul style="list-style-type: none">i. At any time before the proposal submission deadline, the Procuring Agency may amend the RFP by issuing

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>an amendment in writing or by standard electronic means. The amendment shall be sent to all shortlisted Consultants and will be binding on them. The shortlisted Consultants shall acknowledge receipt of all amendments in writing.</p> <p>ii. If the amendment is substantial, the Procuring Agency may extend the proposal submission deadline to give the shortlisted Consultants reasonable time to take an amendment into account in their Proposals.</p> <p>13.2 The Consultant who has already submitted the proposal prior to any amendments in the RFP, may submit a modified Proposal or a modification to any part of it based on the respective amendment in the RFP at any time prior to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline.</p>
<p>14 Preparation of Proposals Specific Considerations</p>	<p>14.1 While preparing the Proposal, the Consultant must give particular attention to the following:</p> <p>i. The Procuring Agency may indicate in the Data Sheet the estimated Key Experts' time input (expressed in person-month) or the Procuring Agency's estimated total cost of the assignment, but not both. This estimate is indicative and the Proposal shall be based on the Consultant's own estimates for the same.</p> <p>ii. If stated in the Data Sheet, the Consultant shall include in its Proposal at least the same time input (in the same unit as indicated in the Data Sheet) of Key Experts, failing which the Financial Proposal will be adjusted for the purpose of comparison of proposals and decision for award in accordance with the procedure in the Data Sheet.</p> <p>iii. For assignments under the Fixed-Budget selection method, the estimated Key Experts' time input is not disclosed. Total available budget, with an indication whether it is inclusive or exclusive of taxes, is given in the Data Sheet, and the Financial Proposal shall not exceed this budget.</p>
<p>15 Technical Proposals Format and Content.</p>	<p>15.1 The Technical Proposal shall not include any information regarding the Financial Proposal. A Technical Proposal containing material financial information shall be declared non-responsive.</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>15.2 Depending on the nature of the assignment, the Consultant is required to submit a Full Technical Proposal (FTP), or a Simplified Technical Proposal (STP) as indicated in the Data Sheet and using the Standard Forms provided in Section 3 of the RFP.</p>
16 Financial Proposal	<p>16.1 The Financial Proposal shall be prepared using the Standard Forms provided in Section VIII of the RFP. It shall list all costs associated with the assignment, including (a) Tendered lumpsum itemized cost of the listed items for the Project Management Services in Form FIN-2A (b) Tendered remuneration for Detailed Construction Supervision Experts on man-month basis in Form FIN-2B (c) Tendered reimbursable cost as stipulated in the Financial Proposal Form FIN-2C.</p>
a. Taxes	<p>16.2 The Consultant and its Sub-consultants and Experts etc. are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the Data Sheet. Information on taxes in the Procuring Agency's country is provided in the Data Sheet.</p>
b. Currency of Proposal	<p>16.3 The Consultant may express the price for its Services in the currency or currencies as stated in the Data Sheet. If indicated in the Data Sheet, the portion of the price representing local cost shall be stated in the national currency.</p>
c. Currency of Payment	<p>16.4 Payment under the Contract shall be made in the currency or currencies in which the payment is requested in the Proposal.</p>
C. Submission, Opening and Evaluation	
17 Submission, Sealing, Marking and of Proposals	<p>17.1 The Consultant shall submit a signed and complete Proposal comprising the documents and forms in accordance with Clause 10 (Documents Comprising Proposal). The submission can be done by mail or by hand. If specified in the Data Sheet, the Consultant has the option of submitting its Proposals electronically.</p> <p>17.2 An authorized representative of the Consultant shall sign the original submission letters in the required format for both the Technical Proposal and, if applicable, the Financial Proposal and shall initial all pages of both. The authorization shall be in the form of a written power of attorney attached to the Technical Proposal.</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>17.2.1 A Proposal submitted by a Joint Venture shall be signed by all members so as to be legally binding on all members, or by an authorized representative who has a written power of attorney signed by each member's authorized representative.</p> <p>17.3 Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialled by the person signing the Proposal.</p> <p>17.4 The signed Proposal shall be marked "ORIGINAL", and its copies marked "COPY" as appropriate. The number of copies is indicated in the Data Sheet. All copies shall be made from the signed original. If there are discrepancies between the original and the copies, the original shall prevail.</p> <p>17.5 The original and all the copies of the Technical Proposal shall be placed inside of a sealed envelope clearly marked "TECHNICAL PROPOSAL", "[Name of the Assignment] ", reference number, name and address of the Consultant, and with a warning "DO NOT OPEN UNTIL [INSERT THE DATE AND THE TIME OF THE TECHNICAL PROPOSAL SUBMISSION DEADLINE]."</p> <p>17.6 Similarly, the original Financial Proposal (if required for the applicable selection method) shall be placed inside of a sealed envelope clearly marked "FINANCIAL PROPOSAL" followed by the name of the assignment, reference number, name and address of the Consultant, and with a warning "DO NOT OPEN WITH THE TECHNICAL PROPOSAL."</p> <p>17.7 The sealed envelopes containing the Technical and Financial Proposals shall be placed into one outer envelope and sealed. This outer envelope shall bear the submission address, RFP reference number, the name of the assignment, Consultant's name and the address, and shall be clearly marked "DO NOT OPEN BEFORE [insert the time and date of the submission deadline indicated in the Data Sheet]".</p> <p>17.8 If the envelopes and packages with the Proposal are not sealed and marked as required, the Procuring Agency will assume no responsibility for the misplacement, loss, or premature opening of the Proposal.</p> <p>17.9 The Proposal or its modifications must be sent to the address indicated in the Data Sheet and received by the</p>

	<p>Procuring Agency no later than the deadline indicated in the Data Sheet, or any extension to this deadline. Any Proposal or its modification received by the Procuring Agency after the deadline shall be declared late and rejected, and promptly returned unopened.</p>
<p>a. Withdrawal of bids</p>	<p>17.10 A Consultant may withdraw its Proposal after it has been submitted, provided that written notice of the withdrawal of the Proposal, is received by the Procuring Agency prior to the deadline for submission of Proposal.</p> <p>17.11 Revised Proposal may be submitted after the withdrawal of the original Proposal.</p> <p>17.12 First, envelopes marked “WITHDRAWAL” shall be opened and read out and the envelope with the corresponding bid shall not be opened but returned to the Bidder. No bid withdrawal shall be permitted unless the corresponding Withdrawal Notice contains a valid authorization to request the withdrawal and is read out at bid opening.</p>
<p>18. Confidentiality</p>	<p>18.1 From the time the Proposals are opened to the time the Evaluation Report is published, the Consultant should not contact the Procurement Evaluation Committee of the Procuring Agency on any matter related to its Technical and/or Financial Proposal. Information relating to the evaluation of Proposals shall not be disclosed to the Consultants who submitted the Proposals or to any other party not officially concerned with the process, until the publication of the Evaluation Report.</p> <p>18.2 Any attempt by consultants or anyone on behalf of the Consultant to influence improperly the Procuring Agency in the evaluation of the Proposals may result in the rejection of its Proposal, and may be subject to the application of prevailing blacklisting procedures.</p> <p>18.3 Notwithstanding the above provisions, from the time of the Proposals’ opening to the time of publication of evaluation report, if a Consultant wishes to contact the Procurement Evaluation Committee or the Procuring Agency on any matter related to the selection process, it should do so only in writing.</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

<p>19. Opening of Proposal (Technical Proposals)</p>	<p>19.1 The Procuring Agency will open all Proposal, in public, in the presence of consultant’ or their representatives who choose to attend, and other parties with a legitimate interest in the Proposal proceedings at the place, on the date and at the time, specified in the BDS. The Consultant’ representatives present shall sign a register as proof of their attendance.</p> <p>19.2 First, envelopes marked “WITHDRAWAL” shall be opened and read out and the envelope with the corresponding Proposal shall not be opened but returned to the Consultant. No Proposal withdrawal shall be permitted unless the corresponding Withdrawal Notice contains a valid authorization to request the withdrawal and is read out at bid opening.</p> <p>19.3 Second, outer envelopes marked “SUBSTITUTION” shall be opened. The inner envelopes containing the Substitution Proposal shall be exchanged for the corresponding Original Proposal being substituted, which is to be returned to the Consultant unopened. No envelope shall be substituted unless the corresponding Substitution Notice contains a valid authorization to request the substitution and is read out and recorded at bid opening.</p> <p>19.4 Next, outer envelopes marked “MODIFICATION” shall be opened. No Technical Proposal and/or Financial Proposal shall be modified unless the corresponding Modification Notice contains a valid authorization to request the modification and is read out and recorded at the opening of the Proposal. Any Modification shall be read out along with the Original Proposal except in case of Single Stage Two Envelope Procedure where only the Technical Proposal, both Original as well as Modification, are to be opened, read out, and recorded at the opening. Financial Proposal, both Original and Modification, will remain unopened till the prescribed financial Proposal opening date.</p> <p>19.5 The Procuring Agency’s evaluation committee shall conduct the opening of the Technical Proposals in the presence of the Proposer Consultants’ authorized representatives who choose to attend (in person, or online if this option is offered in the Data Sheet). The opening date, time and the address are stated in the Data Sheet. The envelopes with the Financial Proposal shall remain sealed until they are opened in accordance with Clause 23 of the ITC.</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>19.6 At the opening of the Technical Proposals the following shall be read out: (i) the name and the country of the Consultant or, in case of a Joint Venture, the name of the Joint Venture, the name of the lead member and the names and the countries of all members; (ii) the presence or absence of a duly sealed envelope with the Financial Proposal; (iii) any modifications to the Proposal submitted prior to proposal submission deadline; and (iv) any other information deemed appropriate or as indicated in the Data Sheet.</p>
20. Proposals Evaluation	<p>20.1 Subject to provision of Clause 15.1 of the ITC, the evaluators of the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.</p> <p>20.2 The Consultant is not permitted to alter or modify its Proposal in any way after the proposal submission deadline. While evaluating the Proposals, the Procuring Agency will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals.</p>
21. Evaluation of Technical Proposals	<p>21.1 The Procuring Agency's evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the Data Sheet. Each responsive Proposal will be given a technical score. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP or if it fails to achieve the minimum technical score indicated in the Data Sheet.</p>
22. Financial Proposals for QBS	<p>22.1 Following the ranking of the Technical Proposals, when the selection is based on quality only (QBS), the top-ranked Consultant is invited to negotiate the Contract.</p> <p>22.2 Only the Financial Proposal of the technically top-ranked Consultant (as predefined in the Evaluation Criteria) is opened by the Procuring Agency's evaluation committee. All other Financial Proposals are returned unopened after the Contract negotiations are successfully concluded and the Contract is signed.</p>
23. Public Opening of Financial Proposals (for QCBS, FBS, and LCS Method)	<p>23.1 After the technical evaluation is completed, the Procuring Agency shall issue the Technical Evaluation Report containing all the information regarding responsiveness or non-responsiveness of the consultant along with the technical scores. The Financial Proposals of non-responsive consultants</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

	<p>will be returned unopened after completing the selection process and Contract signing. The Procuring shall notify in writing those Consultants that have achieved the minimum overall technical score and inform them of the date, time, and location for the opening of the Financial Proposals. The opening date should allow the Consultants sufficient time to make arrangements for attending the opening. The Consultant's attendance at the opening of the Financial Proposals (in person, or online if such option is indicated in the Data Sheet) is optional and is at the Consultant's choice.</p> <p>23.2 The Financial Proposals shall be opened by the Procuring Agency's evaluation committee in the presence of the representatives of those Consultants whose proposals have passed the minimum technical score. At the opening, the names of the Consultants, and the overall technical scores, including the break-down by criterion, shall be read aloud. The Financial Proposals will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded. Copies of the record shall be sent to all Consultants who submitted Proposals.</p>
<p style="text-align: center;">24. Correction of Errors</p>	<p>24.1 Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal.</p>
<p style="text-align: center;">a. Contracts</p>	<p>24.1.1 If a contract form is included in the RFP, the Procuring Agency's evaluation committee will (a) correct any computational or arithmetical errors, and (b) adjust the prices if they fail to reflect all inputs included for the respective activities or items in the Technical Proposal. In case of discrepancy between (i) a partial amount (sub-total) and the total amount, or (ii) between the amount derived by multiplication of unit price with quantity and the total price, or (iii) between words and figures, the former will prevail. In case of discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails, and the Procuring Agency's evaluation committee shall correct the quantification indicated in the Financial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.</p>

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

25. Taxes	25.1 The Procuring Agency's evaluation of the Consultant's Financial Proposal shall exclude taxes and duties in the in accordance with the instructions in the Data Sheet .
26. Conversion to Single Currency	26.1 For the evaluation purposes, prices shall be converted to a single currency using the selling rates of exchange, source and date indicated in the Data Sheet .
27. Combined Quality and Cost Evaluation	
a. Quality and Cost based Selection (QCBS)	27.1 In the case of QCBS, the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the Data Sheet. The Consultant achieving the highest combined technical and financial score will be invited for negotiations.
b. Fixed-Budget Selection (FBS)	27.2 In the case of FBS, those Proposals that exceed the budget indicated in Clause 14.1.4 of the Data Sheet shall be rejected. 27.3 The Procuring Agency will select the Consultant that submitted the highest-ranked Technical Proposal that does not exceed the budget indicated in the RFP and invite such Consultant to negotiate the Contract.
c. Least Cost Selection (LCS)	27.4 In the case of Least-Cost Selection (LCS), the Procuring Agency will select the Consultant with the lowest evaluated total price among those consultants that achieved the minimum technical score and invite such Consultant to negotiate the Contract.
D. Negotiations and Award	
28. Negotiations	28.1 The negotiations will be held at the date and address indicated in the Data Sheet with the Consultant's representative(s) who must have written power of attorney to negotiate and sign a Contract on behalf of the Consultant. 28.2 The Procuring Agency shall prepare minutes of negotiations that are signed by the Procuring Agency and the Consultant's authorized representative.
a. Availability of Key Experts	28.3 The invited Consultant shall confirm the availability of all Key Experts included in the Proposal as a pre-requisite to the negotiations, or, if applicable, a replacement in accordance with Clause 12 of the ITC. Failure to confirm the Key Experts' availability may result in the rejection of the

REQUEST FOR PROPOSALS

	<p>Consultant's Proposal and the Procuring Agency proceeding to negotiate the Contract with the next-ranked Consultant.</p> <p>28.4 Notwithstanding the above, the substitution of Key Experts at the negotiations may be considered if due solely to circumstances outside the reasonable control of and not foreseeable by the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall offer a substitute Key Expert within the period of time specified in the letter of invitation to negotiate the Contract, who shall have equivalent or better qualifications and experience than the original candidate.</p>
b. Technical negotiations	<p>28.5 The negotiations include discussions of the Terms of Reference (TORs), the proposed methodology, the Procuring Agency's inputs, the special conditions of the Contract, and finalizing the "Description of Services" part of the Contract. These discussions shall not alter the original scope of services under the TORs or the terms of the contract, lest the quality of the final product, its price, or the relevance of the initial evaluation be affected.</p>
c. Financial Negotiations	<p>28.6 There shall be no financial negotiations, however, it may include only the clarification of the Consultant's tax liability and how it should be reflected in the Contract.</p>
29. Conclusion of Negotiations	<p>29.1 The negotiations are concluded with a review of the finalized draft Contract, which then shall be initiated by the Procuring Agency and the Consultant's authorized representative.</p> <p>29.2 If the negotiations fail, the Procuring Agency shall inform the Consultant in writing of all pending issues and disagreements and provide a final opportunity to the Consultant to respond. If disagreement persists, the Procuring Agency shall terminate the negotiations informing the Consultant of the reasons for doing so; and the Procuring Agency will invite the next-ranked Consultant to negotiate a Contract. Once the Procuring Agency commences negotiations with the next-ranked Consultant, the Procuring Agency shall not reopen the earlier negotiations.</p>
30. Award of Contract	<p>30. Subject to ITC 29, the Procuring Agency will award the Contract to the Consultant whose Proposal has been determined to be substantially responsive to the RFP Documents and whose bid has been declared as</p>

TECH-8	Work/ Service Schedule: Work Schedule for Project Management Team Services. Work Schedule for Detailed Construction Team Services.	
TECH-9	Professional Experience of Project Management Team & Detailed Construction Supervision Team. Experience in similar nature projects.	

FORM TECH-1

TECHNICAL PROPOSAL SUBMISSION FORM

{Location, Date}

To: *[Name and address of Procuring Agency]*

Dear Sirs:

We, the undersigned, offer to provide the consulting services for *[Insert title of assignment]* in accordance with your Request for Proposals dated *[Insert Date]* and our Proposal. *[Select appropriate wording depending on the selection method stated in the RFP: “We are hereby submitting our Proposal, which includes this Technical Proposal and a Financial Proposal sealed in a separate envelope”.*

{If the Consultant is a joint venture, insert the following: We are submitting our Proposal a joint venture with: {Insert a list with full name and the legal address of each member, and indicate the lead member}. We have attached a copy {insert: “of our letter of intent to form a joint venture” or, if a JV is already formed, “of the JV agreement”} signed by every participating member, which details the likely legal structure of and the confirmation of joint and severable liability of the members of the said joint venture.

{OR

If the Consultant’s Proposal includes Sub-consultants, insert the following: We are submitting our Proposal with the following firms as Sub-consultants: {Insert a list with full name and address of each Sub-consultant.}

We hereby declare that:

(a) All the information and statements made in this Proposal are true and we accept that any misinterpretation or misrepresentation contained in this Proposal may lead to our disqualification by the Procuring Agency.

(b) Our Proposal shall be valid and remain binding upon us until *[insert day, month and year or mention period of validity in accordance with ITC 12.1]*.

(c) We have no conflict of interest in accordance with ITC 3.

(d) *[Note to Procuring Agency: Only if required in ITC10.2 (Data Sheet 10.2), include the following: In competing for (and, if the award is made to us, in executing) the Contract, we undertake to observe the laws against fraud and corruption, including bribery, in force in the*

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

country of the Procuring Agency.] In this regard, an integrity pact will be signed between Employer/ Client and Consultant upon the award of services/ works.

(e) Except as stated in the Data Sheet, Clause 12.7, we undertake to negotiate a Contract on the basis of the proposed Key Experts. We accept that the substitution of Key Experts for reasons other than those stated in ITC Clause 12 and ITC Clause 28.4 may lead to the termination of Contract negotiations.

(f) Our Proposal is binding upon us and subject to any modifications resulting from the Contract negotiations.

We undertake, if our Proposal is accepted and the Contract is signed, to initiate the Services related to the assignment no later than the date indicated in Clause 30.2 of the Data Sheet.

We understand that the Procuring Agency is not bound to accept any Proposal that the Procuring Agency receives.

We remain,

Yours sincerely,

Authorized Signature {In full and initials}: _

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

**Form TECH-3 Comments and Suggestions on the Scope of Consultancy Services/
Terms of Reference and on Counterpart Staff and Facilities to be Provided by the Client**

A - On the Scope of the Consultancy Services

[Present and justify here any modifications or improvement to the Scope of Consultancy Services you are proposing to improve performance in carrying out the assignment (such as deleting some activity you consider unnecessary, or adding another, or proposing a different phasing of the activities). Such suggestions should be concise and to the point, and incorporated in your Proposals.]

B - On Counterpart Staff and Facilities

[Comment here on counterpart staff and facilities to be provided by the Client].

FORM TECH-4
DESCRIPTION OF APPROACH, METHODOLOGY AND WORK PLAN
FOR PERFORMING THE ASSIGNMENT

[Technical approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal (use appropriate pages, inclusive of charts and diagrams) divided into the following chapters:

- a) *Technical Approach, Service/ Work Plan and Methodology,*
 - b) *Provide Organization Chart/ Organogram of your company/ firm and organogram of the associates/ sub-consultants with Professional Affiliations.*
 - c) *Provide the proposed detailed Organogram for planning/ designing, approval of building plans including fire-fighting plans from CDA and detailed construction supervision of the CCP Office Building Project (CCP Project Organogram).*
-
- 1) *Technical Approach, Service/ Work Plan and Methodology. In this chapter you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach. Services/ Work Plan activity of the assignment, their content and duration, phasing and interrelations, milestones (including interim approvals by the Client), and delivery dates of the reports. The proposed Service/ work plan should be consistent with the technical approach and methodology, showing understanding of the Scope of Services and ability to translate them into a feasible working plan. A list of the final documents, including reports, drawings, and tables to be delivered as final output, should be included here. The work plan should be consistent with the Service/ Work Schedule of Form TECH-8*
 - 2) *Organization Chart & Professional Affiliations: In this chapter you should provide Organogram showing and representing different divisions of your organization including associates/ sub-consultants and show the lead, Senior & Junior categories of hierarchy in organogram. Professional Affiliation with Authorities & Organizations Nationally / internationally, especially PEC, PCATP etc.*
 - 3) *Project Organogram: In this chapter you should provide the proposed detailed project organogram including communication flow/ chart for carrying-out the complete scope of consultancy services as detailed in RFP in respect of Construction of CCP Office Building, Plot No. 36 & 38, Sector G-10/4, Mauve Area Islamabad.*

Section IV. Eligible Countries

All bidders are allowed to participate in the subject procurement without regard to nationality, except organizations and professionals of some nationality, prohibited in accordance with policy of the Federal Government.

The organizations, professionals from the following countries are ineligible to participate in the procurement process:

1. India.
2. Israel.

Section – V
**Scope of Consultancy Services/
Terms of Reference (TOR)**

INTRODUCTION:

1. **Competition Commission of Pakistan (CCP)** invites sealed technical & financial proposals from Consultants/ Firms/ Companies/ JV etc., to provide Consultancy Services for Project Management Services and Detailed Construction Supervision for **Construction of Office Building of Competition Commission of Pakistan (CCP), Plot No. 36 & 38, Sector G-10/4 Mauve Area Islamabad**, having relevant valid license from Pakistan Engineering Council (PEC), PCATP & CDA in the appropriate & relevant category.

2. **Background:**

2.1 CCP is renting office premises in ISE Towers, 55-B, Jinnah Avenue Islamabad. The Commission has been allocated land by the Capital Development Authority (CDA) measuring 3,017.77 Sq. Yds. (194' x 140') for the construction of its office building in Sector G-10/4, Mauve Area Islamabad.

2.2 CCP office building was designed by the Consultant in the last financial year. The design services were commenced by the Consultant in April, 2022. The detailed cost estimates along with the PC-I were provided in the month of March-2023 for the Construction of the CCP building project.

2.3 The proposed CCP Building was designed with 1:2 FAR & consists of 02 Basements + Ground + 06 Floors. The Total Construction Area is 109,504 Sq. Ft. in which the total substructure area is 54,160 sq. ft. and the total superstructure area is 54,320 Sq. Ft. The Bill of Quantities & respective cost estimates are based on Pak PWD Scheduled Items/ rates & Non-Scheduled Items/ Rates on market rates/ prices.

2.4 The existing CCP office building is designed not limited to the following components.

- i. Architectural & Civil Works.
- ii. Electrical & Plumbing & Firefighting Works including Sprinkler System.
- iii. Security System (CCTV, UVSS, C-Road Blocker, Walk Through gates) Fire Alarm System, Telephone System, Public Address System, PV Solar System, Sui-Gas infrastructure, Water pumping System for water lifting, Diesel Generating Sets, Tube Well Works, Data, Wifi Networking & Active Equipment,
- iv. HVAC Works (VRF System).
- v. Lift Works.
- vi. Landscape Horticulture Works.

2.5 The building plans are approved principally in the DVC meeting held on 23rd November, 2023. The revised building plans (as proposed by DVC), structural drawings,

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

firefighting drawings, and soil investigation report were submitted to CDA as post DVC activities for obtaining approvals of plans from CDA.

3. PROJECTS – Scope of Services/ Terms of Reference (TOR) that are required but not limited to following:

The Services to be performed by the Consultant in relation to the project, described below. All aspects of the services lead towards fully functional CCP office building and only such services are excluded from the scope unless specifically stated as being excluded in this RFP. The following is a list of the scope of the consultancy services for the Project Management & Detailed Construction Supervision services, but the said list is not intended to be (nor shall it be interpreted as being) exhaustive and does not imply any exclusion from the Services of a discipline not listed hereunder.

A) Scope of Project Management Services:

The scope of the Project Management Services includes but shall not limited to following:

1. Shall act as The Engineer of all the construction contracts of the Project for the Construction of Office Building of the Competition Commission of Pakistan and shall perform complete duties of the Engineer as stipulated in the construction contracts of the work packages during the currency of the construction contracts of the project. The Engineer shall be approved by the Client/ Employer and shall obtain the written approval of the Employer prior to carrying out such duties which require specific approval from the Employer under the Construction contracts.
2. Shall perform the complete services for the Top Supervision of the works, visit fortnightly and conduct meetings at project site along with relevant design Engineers/ Architects and Client, Detailed Construction Supervision team and Contractors as per requirements of the works to be performed at site and furnish reports regarding the works including preventive and corrective actions and instructions/ comments/ suggestions in the respective reports of the visits at site. A monthly meeting is also required to be conducted by the Engineer with his team at the Client Office situated at ISE Towers for the monthly progress review meeting.
3. Shall prepare preliminary timeline, milestones and deliverables and subsequently update with the contractor's project plans for the project.
4. Shall prepare, review, and update periodically on monthly basis, the schedule for the deployment of detailed supervision staff at site in accordance with the Construction contract timelines in consultation with detailed construction supervision team and any updating therein.
5. Assist in tendering/ bidding process including pre-qualification (if any), for the procurement of proposed packages of works, pre-conference meeting/ pre-bid meeting and minutes of meeting and issuance of addendum/ corrigendum (if any), opening of pre-qualification applications (if any) and bids, Evaluation of the pre-qualification applications (if any) and

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- bids of the packages of the proposed works and recommendations thereon and issuance of notice to commence by the Engineer of the Construction Work.
6. Shall prepare and provide the formats (where applicable) with necessary details for the following and issue to the detailed construction supervision team.
- (i) SOP for communication.
 - (ii) Documentation & Communication controlling system.
 - (iii) Visitors register.
 - (iv) Meeting & attendance registers.
 - (v) Check requests & log.
 - (vi) Material approval request (MAR) & log.
 - (vii) Submittals & log.
 - (viii) Variations & log.
 - (ix) Daily manpower and machinery & other relevant reports.
 - (x) Attendance register.
 - (xi) Daily activity status reports.
 - (xii) Construction drawings/ IFC & log.
 - (xiii) Shop drawings & log.
 - (xiv) RFI's & log.
 - (xv) Progress Reports & log.
 - (xvi) Recording of the photographs and CCTV clips.
 - (xvii) Minutes of Meeting (MOM) & log.
 - (xviii) Recording of executed quantities on daily, fortnightly & monthly basis.
 - (xix) Monthly Statement & Interim Payment Certificates, Statement at completion and final statement of works.
 - (xx) Site Instructions & Non-conformance report (NCR) & log.
 - (xxi) Bar bending schedule & log.
 - (xxii) Proposals & log.
 - (xxiii) Incident/ Accident Reporting & log.
 - (xxiv) Risk assessment & log.
 - (xxv) Reporting of the tests including witnessing of tests.
 - (xxvi) Checklists & log.
 - (xxvii) Samples for the finishes materials/ items and other construction materials.
 - (xxviii) EOT & related claims.
 - (xxix) Updated schedule of work on weekly/ fortnightly basis.
 - (xxx) Contract documentation.
 - (xxxi) As-Built drawings.
 - (xxxii) Punch List.
 - (xxxiii) Handling & taking over.
 - (xxxiv) Instruction to detail supervision team.
 - (xxxv) Any other format/ detail according to the requirement of detailed construction supervision team.
7. Review of the site office plan proposed by the contractor.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

8. Review with comment of the relevant design engineers on the method statement/ methodology of the contractor submitted to detailed construction supervision team.
9. Quality control on the deliverables/ works including recommendations on the processes of quality assurance to improve the quality of the works.
10. Shall review, comment & approval of submittals/ MAR in accordance with contract documents and rules and regulations issued by the relevant authority exercising jurisdiction in Federal Capital Territory of Pakistan.
11. Shall prepare the construction drawings/ IFC for the packages of the works and issue same to the detailed construction supervision team as per requirement of the construction contract.
12. Checking, reviewing, commenting and approval of the shop drawings.
13. Shall review/ recheck the Bar-Bending Schedule (BBS) of the reinforcement works with comments of the structural designer and provide approved/ checked BBS to the Engineer/ detailed construction supervision team for the issuance to Contractor.
14. Shall attend, response, comment and provide relevant details solicited through RFIs (Request for Information).
15. Shall review the proposed profiles/ CVs of the contractor's technical & management team in consultation with detailed construction supervision team.
16. Shall aid to detailed construction supervision team & employer/ client in response to the Contractor's claims in the light of contractual & technical stipulations of the contract documents.
17. Shall hold kick-off, fortnightly, monthly, quarterly progress review meetings at site and Client office, as per requirements.
18. Fortnightly updating the baseline schedule or revised schedule to be obtained from contractor or to be performed by the planning engineer and submit to the Client with detailed report and recommendations.
19. Fortnightly report regarding the technical and contractual communication between the Contractors and detailed supervision team with recommendations and solutions of the probable disputes or claims etc.
20. Preparation and submission of requisite requirements to CDA during construction works duly signed by the PCATP & CDA licensed Architect and PEC & CDA licensed Structural Engineer and PEC licensed firefighting organization etc., as per requirement of CDA.
21. Shall review the work, procurement, submittals/ Material Approval Request (MAR) schedules.
22. Shall provide recommendations including updating of related risks and other parameters based on updating/ revised schedules of work, procurement & submittals.
23. Shall conduct detailed analysis and process of the variations, Extension of Time (EOT) and related claims in accordance with construction contracts and submit detailed report to Client/ Employer.
24. Review of the PC-I (as per requirement).
25. Review of Progress Reports and provide regular status reports.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

26. Identification and mitigation of risks of the project and related issues as they arise including the risks associated mainly with the timely completion of works and PC-I cost of the project.
27. Preparation of contract documents for the Packages of the Project and issuance to the contractors and detailed construction supervision team and Client.
28. Revision of the Interim Bills (as per requirement), checking of statement at completion and Final Bill/ statement of the construction contracts of the Works.
29. Review of Project Performance against the baseline schedules and submit report to the Client including monitoring and controlling the project triple constraints by using EVM (earned value management) method or other more relevant techniques and recommendations thereon.
30. Monitor, control & report on the project's compliance with safety and environmental laws/ regulations of Pakistan.
31. Assistance to client in preparation of Project Evaluation Proformas for the awarded contracts of the works for the statutory compliance of departments/ institutions/ authorities.
32. Preparation and review of the Engineer's Estimate of the packages of the Works, if required.
33. Propose preventive & corrective actions to address deviations from the project plan and recommendations for any project challenges.
34. Check, ensure and prepare reports that all projects' deliverables are completed with stipulated quality standards.
35. Prepare and Review of any proposal for the utility connections at site and submit details, drawings, plans etc. to employer/ client for onwards submission to CDA/ SNGPL/ Telephone, Internet etc. and other utility connection providers.
36. Preparation of electrical design book for obtaining electric connection from IESCO and follow-up to IESCO for obtaining electrical connection for CCP office building.
37. Shall perform complete review of the existing designs especially all engineering designs through respective design engineers. Provide the missing and incomplete architectural and engineering designs and drawings etc. and prepare complete bill of quantities (BoQ) specifications and respective detail drawings, cost estimates of each package and pre-qualification and bidding documents etc. for the proposed packages of works.
38. Complete interior designs according to the CCP requirements, with respective detailed drawings, BoQ (Bill of quantities), Specifications, pre-qualification and bidding documents, tender drawings, detailed drawings, cost estimates, IFC etc. including top supervision of the execution of interior works.
39. Issuance of TOC (taking over certificate) and DLC (defects liability certificate) to the Construction Contracts in accordance with procedure stipulated in the contract documents.
40. Obtain Client acceptance and sign-off on project deliverables, as per construction contracts.
41. Close-out contracts with approval of the Client and perform financial reconciliation during defects liability period.
42. Maintain and prepare list for the project documentation for future reference in consultation with detailed supervision team.
43. Create a final project report summarizing the project's achievements and lessons learned.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

44. Provide training (if any) or documentation to the client according to the requirements of the project.
45. Review as-built drawings and warranties & guaranties and spare parts and other operational manuals etc. for the project and submit to employer/ client.
46. Preparation & review of punch list in coordination with detailed supervision team for the substantially completed works.
47. Assistance to Client for the post-project activities/ maintenance related works and preparation of PC-IV etc.
48. Shall instruct and issuance notices to the contractor for removal of punch list and outstanding works included in the punch list (if any) to be executed during defects liability period.
49. The Project Management consultant shall, as requested by the client from time to time, attend and participate in meetings held in relation to the project with key stakeholders and prepare minutes thereof, including meeting in the office of CCP and meetings at site etc.
50. Requisite documentation and drawings (as-built) etc. through CDA & PCATP licensed Architect and CDA & PEC licensed Structural Engineer and PEC licensed firefighting organization for obtaining completion certificate from CDA of the office building of CCP.
51. Assistance in obtaining completion certificate from CDA.
52. Preparation of model of the project, if required.
53. Any other project management services as required for the successful and satisfactory performance of contract documents of the awarded work packages for the project.

High Level Deliverables for the Project Management Services:

- ✓ The Engineer.
- ✓ Complete design review/ designs.
- ✓ Bill of quantities, Specifications, Drawings, Estimations etc.
- ✓ Pre-Qualification document with draft advertisement for Pre-Qualifications.
- ✓ Minutes of Pre-bid meeting/ pre-conference meeting.
- ✓ Issuance of Addenda/ Corrigenda in the biddings processes, if any.
- ✓ Evaluation Report of Pre-qualifications applications.
- ✓ Complete sets of Finalised Tender/ Bidding Documents.
- ✓ Minutes of Pre-Tender/ Bid meeting.
- ✓ Minutes of Technical & Financial Opening of Bids.
- ✓ Detailed evaluation reports of technical & financial bids.
- ✓ Weekly, Fortnightly, Monthly & quarterly Reports for the progress of work/ Project performance report.
- ✓ Preliminary Plan/ schedule of works and updating as required.
- ✓ Miscellaneous Formats.
- ✓ Miscellaneous Reports.
- ✓ Review of site office plan, methodology etc.
- ✓ Quality Control Plan.
- ✓ Submittals & MAR.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- ✓ Construction Drawings.
- ✓ Review of Shop Drawings.
- ✓ Review of BBS.
- ✓ RFI's.
- ✓ Review of CV/ Profile of contractor's key experts.
- ✓ Meeting minutes.
- ✓ Reports of Top Supervision Services.
- ✓ Risk assessment.
- ✓ Meeting with Employer and minutes of meeting thereof.
- ✓ Revisions in PC-1, if required.
- ✓ Revision of Interim Payment Certificate, checking Statement at Completion and Final Bill/ Statements.
- ✓ Report on Safety at work and environmental laws and regulations.
- ✓ Presentation to the Employer (Commission of Competition Commission of Pakistan) on various key stages of the construction phases.
- ✓ Revision of reports, based on facts and regulations, if any.
- ✓ Draft letter of acceptance, draft contract agreement of each construction packages
- ✓ Notice to Commence of respective construction packages.
- ✓ List of names of Top Supervision Team, if revised.
- ✓ Amendment/ changes/ revisions/ additions in the phases etc., if any.
- ✓ Interior Design drawings, specifications, BoQ and cost estimates, bidding documents with details of re-using of existing furniture and partition walls etc.
- ✓ Electrical Design Book.
- ✓ Contractual and Technical aid to Construction Supervision Team.
- ✓ TOC & DLC.
- ✓ As-built drawings.
- ✓ Punch list.
- ✓ Removal status of Punch List.
- ✓ Prepare and provide Completion of Project Performa as per Planning Commission of Pakistan (PC-IV).
- ✓ Miscellaneous post DVC requirements for approval of building plans from CDA (if required).
- ✓ Submission of requisite documents to CDA as per requirement at miscellaneous levels as stipulated in the Building Control Regulations-2020 (amened in 2023).
- ✓ Documentation and drawings etc. for Completion Certificate from CDA.
- ✓ Completion Certificate of the Building from CDA.
- ✓ Final project report with lesson learnt.
- ✓ Any other deliverable according to the TOR of the Project Management Services.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

B) Scope of Detailed Construction Supervision Services:

The detailed construction supervision team shall supervise construction of the office building of CCP and installation of the plant & equipment for the effective operations of the building and ensure that it conforms to the stipulated specifications, quality standards, approved drawings, and approved plans and consistent with the Employer's requirements under the overall supervision of the Engineer. The services include, but shall not limited to following:

1. The deployment schedule for detailed supervision experts/ staff to be rechecked by the Resident Engineer/ Engineer's Representative including any updates/ review in the schedule according to the requirements for monitoring & control of works at site and maintain necessary presence by detailed construction supervision team at project site. The key issue in this respect is to safeguard and protects Client's interest against any potential dispute with the contractors and to monitor progress and quality of the works. It is also critical to ensure that the construction works are being executed in accordance with the contract documents. It is important to monitor the contractor's compliance in accordance with contract documents and to administer the contract with particular emphasis on the monitoring and control of the triple constraints (Scope, Cost, Schedule, Quality & other related areas) and in general will be the overall responsibility of the detailed construction supervision team.
2. The activities/ deliverables/ works to be performed by the contractors under the contracts shall be monitored and controlled by the detailed construction supervision team on site on day-to-day basis according to the deployment schedule for the detailed supervision staff at site or site requirements as directed by the Engineer and Employer. The team will monitor and control the quality assurance plan and day-to-day management of all construction activities associated with the awarded construction works. These responsibilities include administration of the contracts and technical requirements of the contract documents, monitoring of the construction quality program, monitoring schedules, checking, monitoring and controlling activities at site, reviewing and verification of the interim payments, providing reports/ documents/ to on-site participants, reviewing and commencing on the contractor's proposed field changes (if required, consultation being made with the Engineer & Top Supervision Team), issuing instructions to the contractors on behalf the Engineer, Interaction with the Engineer & employer personnel, monitoring contractual compliance, record keeping to mitigate potential disputes, administering disputes during construction, witnessing and accepting the tests (including installation and commissioning of the plant & equipment) and assisting in project turnover activities in consultation with the Engineer, to the Employer.
3. Quality Assurance of all activities of the awarded works including procurement & installation, testing and commissioning of plant & equipment in accordance with the respective contract documents.
4. Shall issue the Construction Drawings/ Drawings Issued for Construction (IFC drawings) to the relevant contractors of the awarded construction contracts in accordance with the

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- contract documents. The detailed construction supervision team shall obtain the construction drawings of the awarded construction contracts from the Engineer.
5. Shall check, review & correct the demarcation of the four corners of the CCP Plot No. 36 & 38, in accordance with Certificate of Possession, with duly coordination with the CDA (Land Survey Department) and complete layout etc. and other site survey related activities/ tasks/ works at site for the building with complete set up for checking, review and correction of the site survey matters at each stage of the construction during the currency of the execution of works.
 6. Shall adopt, not limited to, the following check request system for monitoring & control of the activities of the awarded construction contracts at site.
 - (i) check request system for the quality assurance of the activities to be performed by the contractor for the awarded contracts of the works. Format for check request to be prepared/ reviewed by the Engineer. The status of the check requests to be provided to the Engineer on daily basis in soft format by detailed construction supervision team.
 - (ii) Submittal & Material Approval Request (MAR) system which will be submitted by the Contractor to the detailed construction supervision team for approval purposes. The submittals & MAR shall be primarily reviewed in the light of contract documents and then submitted to the relevant design engineer through the engineer for detailed response/ review & remarks. The response to be issued to the relevant Contractor with detailed remarks on the submittals/ MAR by the detailed construction supervision team.
 7. Administer, solicit & obtain the contractual & technical requirements from the contractors in accordance with the contract documents and submit to the Engineer & Employer as per procedure, where required and necessary, not limited to following:
 - (i) Site office plan in accordance with contract documents, check & review the site office plan in accordance with contract documents and in consultation with the Engineer for review and approval of the site office plan, monitor and control the execution of site office (if any) in accordance with approved plan and solicit and obtain requisite equipment and furniture etc. for smooth operation of the site office in accordance with contract documents.
 - (ii) Schedule of works/ works program (baseline & revised, if any), quality assurance & control process documentation in accordance with the awarded construction contract of the works, review the same and submit to the Engineer for consent, comments & approval purposes.
 - (iii) Construction methodology/ method statement in line with the safety at work for the execution of the planned activities/ deliverables/ works by the contractor and submit the same to the engineer for review/update, comments, and approvals.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- (iv) Procurement & submittals schedules (baseline & revised, if any) for the awarded contracts in collaboration with approved schedule of works/ revised schedule of works, review the same and submit to the engineer for consent, comments & approval purposes.
- (v) Weekly, Fortnightly & monthly planned targets for the execution of activities/ deliverables/ works derived from the baseline schedule. Updating the tasks and details of activities/ works which are planned & achieved shall be included in the monthly progress reports.
- (vi) Performance guarantee/ security (including renewal, if any) in accordance with the Contract & submitting to the engineer for final review and approval.
- (vii) Guarantees/ securities (including renewal, if any) in accordance with the Contract & submitting to the engineer for consent and approval.
- (viii) Health, Safety, Security & Environment Policy in accordance with the Contract & submitting to the engineer for final review and approval and subsequently revised policies etc. (if any).
- (ix) Total manpower report, total machinery deployment report, activities status reports (commencement, execution, completion reports etc.), testing reports including installation & commissioning of the plant & equipment etc. of the awarded construction contracts with remarks on day-to-day basis and submit the reports to the engineer & Employer.
- (x) Monthly Progress Reports from the contractors in accordance with contract documents, during the currency of the execution of works at site.
- (xi) Monthly Statements (MS) on the approved format for the executed activities/ works in accordance with the contract documents and checking and verification of the monthly statements with due consultation and effective collaboration with the engineer, may issue Interim Payment Certificates (IPC) and submit to the Employer for further process in accordance with contract documents.
- (xii) Check & verify the Bar-Bending Schedule (BBS) of the reinforcement works and solicit consent & approval from the engineer before issuance of BBS to relevant contractors.
- (xiii) Submittals from the relevant contractors of the awarded construction contracts of the works and submit to relevant design engineers for the detailed comments/ review and remarks. The submittals to be re-issued to the relevant contractor with reviewed comments/ remarks (if any) of the relevant design engineers/ the engineer.
- (xiv) Shop drawings according to the contract documents & perform initial scrutiny of the shop drawings and then submit to relevant design engineer for detailed response/

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

review/ remarks/ comments and subsequently approval of such shop drawings for the issuance to relevant contractor/ constructor.

- (xv) Incident/ accident report, if any, from the contractors, review the same and submit the same to the engineer & employer on the approved format with comments and recommendations etc.
- (xvi) Samples of the construction materials required under the construction contract in accordance with the contract documents, with due consultation and effective collaboration with relevant design engineer. The approval shall be taken of all such construction materials from the relevant design engineers/ the engineer. The approved samples shall be kept on site and available for inspections/ witnesses for the contractors, design engineers/ the engineer & the employer.
- (xvii) Samples of the finishes' materials (exterior & interior) and first & second/ final fix of the electrical, plumbing, firefighting, HVAC, Lifts, interiors items from the contractors/ constructors in accordance with the contract documents with due consultation and effective collaboration with relevant design engineers/ the engineer. The approval of all such finishes' material to be taken from the employer upon the recommendation of the relevant design engineer/ the engineer. The approved samples shall be kept on site and available for inspections/ witnesses for the Contractors, design engineers/ the engineer & Employer.
- (xviii) As-Built Drawings, documents, warranties & guaranties, spare parts, and other operational manuals etc. from the contractors, as and when the activities/ deliverables/ works to be substantially completed in the construction contracts or the awarded works for HVAC and Lifts etc. to be substantially completed/ TOC in consultation and collaboration with the engineer.
- (xix) Indemnity not limited to the secured advance etc., mobilization advance guarantee etc., and other relevant documents in accordance with the contract documents.
- (xx) Details of the material & soil testing laboratory, which may be established at site by the contractor/ constructor including the type of testing equipment and its valid certifications & calibrations along with its smooth functioning for the tests to be performed at site.
- (xxi) Type of equipment (e.g. survey equipment) to be used by the contractor/ constructor at site, including its certification, valid calibrations, and other parameters of the equipment etc.
- (xxii) Type of machinery (e.g. construction machinery including supporting machinery e.g. hoist, tower crane etc.) to be deployed at site, along with its smooth functioning etc.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- (xxiii) Obtain and check the details of materials, especially cement, steel, formwork, concrete aggregate, other construction and finishes material including electrical, mechanical, plumbing, firefighting, lifts and HVAC materials and items etc. available at site including details of consumption etc. to be recorded and log to be provided to the Engineer and Employer.
- (xxiv) Any other contractual & technical requirements & liabilities of the contractors/ constructors in accordance with the contract documents for the awarded construction contracts.
8. Shall check, comment & verify upon satisfactory submission of the request of the mobilization advance (if any) & secured advance (if any), claimed by the contractor/ constructor, in accordance with contract documents, including checking and verification of the mobilization advance guarantee & indemnity of secured advance (as per requirement) to be submitted by contractor, in accordance with contract documents, with due consultation, effective communication, collaboration and recommendation from the engineer.
9. Check, perform, witness & recommend the tests (including installation & commissioning) for the construction materials, finishes' materials, plant & equipment etc. in accordance with contract documents in consultation with the engineer.
10. Shall issuance site instructions/ observations and non-conformance report (NCR) on the approved format to the Contractors/ Constructors for the matters related to the planning & execution of activities/ deliverables/ works and provide copy of such instructions/ reports to the engineer on day-to-day basis (if any) and copy to employer.
11. Shall solicit clarifications/ details in respect of drawings/ specifications/ contract documents through RFI's from relevant top supervision team/ the engineer and the response on RFI's may be issued to the relevant contractors/ constructors, if required, for the awarded construction contracts.
12. Shall maintain a record of the executed quantities of work on day-to-day basis with relevant category of the manpower deployed at site and provide such details on the approved format to the engineer & employer (if any) including other contract administration record like monthly statements and interim payment certificates, appropriation/ check requests, instructions, contractual correspondence, and testing etc. (which includes installation & commissioning of the plant & equipment also). The consultant staff shall maintain these records until the closure of the contract or as directed by the engineer and then the record will be handed over to the employer.
13. A reasonable method of recording the construction progress is to use photographs taken regularly (on a day-to-day basis) and through CCTV (to be installed at appropriate places), for monitoring of the activities at site. The usefulness of these records extends beyond recording construction progress, but into problem solving, claim analysis, safety aspects, incident/ accident reporting and public relations etc. The consultant will arrange, through

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- the contractor, at the cost of the contractor for such photographic and CCTV records and obtain from the contractor such facilities (camera for photographs and CCTV monitoring & recording etc.) in the detailed construction supervision staff office.
14. Maintain periodic weekly records for safety at work at site and labor camps of the contractors/ constructors and issue instructions for proper safety, security, health, and environment (HSSE) at site and labor camps. Ensure that the contractors/ constructors shall comply with all contractual and statutory requirements/ regulations/ laws for HSSE, applicable in Islamabad capital Territory.
 15. Shall identify risks of the activities and works to be executed at site, their frequency, probability of risk occurrence including impact assessment and identify effective strategies for the elimination and mitigation of the risks, with effective collaboration with contractors/ constructors, relevant design engineer/ the engineer and employer.
 16. Effective responses to the contractors' letters with clear grounds and reasons supported with relevant clauses of the contract documents, after due consultation and effective collaboration with the engineer and relevant top supervision team and contracts and planning engineers.
 17. Shall prepare, check & verify the final executed quantities of works of the construction contracts at the substantial completion of works/ Taking Over Certificate (TOC) with due consultation and effective collaboration with the relevant design engineers/ the engineer.
 18. Shall perform interpretation of construction contract clauses, after due consultation and effective communication and collaboration with the engineer, as and when required, during currency of the construction contracts.
 19. Shall solicit, prepare, and provide complete relevant information regarding any variations (if any) and quantities exceeding to Bill of Quantities (BoQ) to the engineer with information to Client, to adopt change management mechanism for the variations or quantities exceeding the BoQ, in accordance with contract documents.
 20. Preparation of minutes of meeting (MOM) for the daily/ weekly/ fortnightly/ monthly/ quarterly/ bi-annually/ annually meeting at site including presentations as directed by the engineer/ employer's representative, including site visits of the relevant top supervision team and the engineer and employer and prepare MOM & presentations etc. for the meetings.
 21. Shall adopt strategies for the resolution of disputes with the contractors/ constructors through dispute resolution methodologies including meetings and dispute resolution mechanism provided in the contract documents. The matters beyond control may be escalated to the engineer with copy to Client with appropriate reasons and grounds for escalation of the relevant matters.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

22. Shall issue instructions to contractor for the adequate safety & security of the executed works, workman, consultants' staff, construction material, machinery, plant & equipment, tools etc. at site, with copy to the engineer & employer.
23. Shall evaluate Extension of Time (EOT) request, filed by the contractor/ constructor, if any, in accordance with contract documents, with due consultation and effective communication and collaboration with the engineer and project management team and submit report with details to the engineer, to process the case in accordance with contract documents. The detailed construction supervision team also solicits necessary contemporary records needed for the substantiation of the EOT from the contractor/ constructor in accordance with the contract documents.
24. Shall evaluate any claim (including financial claim), filed by the contractor/ constructor in accordance with the contract and submit the complete details with due analysis to the engineer for further evaluation and process the matter in accordance with contract documents. The detailed construction supervision team also solicits necessary contemporary records needed for the substantiation of the claim from the contractor/ constructor in accordance with the contract documents.
25. Preparation of the comparative statement for the executed quantities versus estimated quantities of works for the awarded contracts and then preparation statement for the re-appropriation of the quantities, as directed by the engineer.
26. Shall prepare proposals for the connection of utility services in consultation with the engineer and the utility service providers like CDA (water, sewerage & firefighting), IESCO (electricity), SNGPL (sui gas), Telephone, TV/cable connection, & Internet, etc. for the CCP office building.
27. Shall aid to the utility connection providers at site, like IESCO, SNGPL, CDA (water & sewerage etc.), Telephone, TV/ cable connection, & internet, etc. for obtaining the works/ utility connection for the building, including their visits to site.
28. Shall coordinate with employer for the compliance on the approved format of Pak EPA for the approved initial environmental report (IEE) report and adherence with the approved conditions of IEE approval including their visits to site.
29. Shall coordinate with CDA for necessary checks/ compliance of the building works including survey etc. at site including their visits to site, as required by CDA and coordinate with Project Management Team for any other compliances required by CDA.
30. Preparation of punch list, prior to the issuance of TOC, in due consultation and collaboration with the relevant design engineer & employer/ client and submit to the engineer to process in accordance with the contract documents.
31. Right & forthwith communication/ letters to the contractors regarding the quality, shortage/ unavailability of materials, manpower, plant & equipment, and tools, tests, resources, and

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

their means, slippages planned tasks etc. related to the execution of activities and works, which may affect the progress of work in line with the construction contracts and may hamper the pace of works.

32. Any other detailed supervision services which are required to be performed under contract documents for awarded construction contracts for the project.

High Level Deliverables for Detailed Construction Supervision Services:

- ✓ Attendance sheet of Detailed Construction Supervision Team.
 - ✓ Work Check Requests.
 - ✓ IFC drawings.
 - ✓ Demarcation of Plot.
 - ✓ Submittals and MAR.
 - ✓ Schedule Of Work, Procurement Schedule & Submittals Schedule.
 - ✓ Contractual & technical requirements.
 - ✓ HSSE policy.
 - ✓ Miscellaneous Reports.
 - ✓ Monthly Progress Reports.
 - ✓ Miscellaneous Presentations.
 - ✓ Miscellaneous meetings and minutes thereof.
 - ✓ Shop drawings (if any).
 - ✓ BBS
 - ✓ Miscellaneous Payment Certificates.
 - ✓ Samples.
 - ✓ Contractual Letters.
 - ✓ Test results.
 - ✓ Risk Assessment.
 - ✓ Miscellaneous Proposals (if any).
 - ✓ Compliance of CDA & Pak EPA requirements.
 - ✓ As-Built Drawings, Warranties and Guaranties, spare parts (if any), manuals.
 - ✓ Installation and commissioning reports.
 - ✓ Evaluation of EOT and related claims, if any and subsequent notification.
 - ✓ Variations and Variation Orders.
 - ✓ Re-Appropriation of quantities of works.
 - ✓ Preparation of Punch list.
 - ✓ Comparative statements.
 - ✓ Miscellaneous registers/ logs etc.
 - ✓ Submission of Guarantees & Warranties as per construction contracts.
 - ✓ Other deliverables as per TOR of the Detailed Construction Supervision Services.
 - ✓ Any other deliverable as per construction contract documents and scope of detailed construction supervision services.
4. To familiarize yourself with the project and to assess the extent of services to be provided by your firm/ Company/ JV, you may visit the project area/location at the address of the CCP Plot No. 36 & 38, Sector G-10/4, Mauve Area Islamabad and also inspect the

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

miscellaneous drawings related to the office building of CCP. However, it has been clearly understood that any cost incurred by you for the collection of preliminary information, preparation of the proposals or the subsequently negotiations shall not be reimbursed to you by Client/ Employer.

5. **Employer/Client/Owner's Objective:**

The Competition Commission of Pakistan (CCP) intends to construct a building (Project) on approximate 5.5 kanal plot (194 ft. x 140 ft.) situated at Sector G-10/4 Mauve Area Islamabad. The primary reason for constructing this building is to house the Competition Commission of Pakistan.

The available designs were developed by the Consultant in the last financial year. The construction of buildings in the vicinity and substantial changes in the cost of the raw/ construction material, it is desired to review the designs especially Engineering designs of the building keeping to intact with the already approved architectural plans by the DVC of CDA.

To carry out fast tracking in the execution of the project, the site is to be developed in "Packages" to be proposed by the Consultant. The Services relate to the provision of all packages, where agreed by the Employer, the Project Consultants shall provide package documentation for each package as a standalone package.

The following are the high-level objectives in relation to the Project Management and detailed construction supervision services.

a) **Design Review:**

The design review shall be performed by the project management consultant by keeping the building plans as principally approved by the DVC of CDA, with aspects of smart and green building features, net zero carbon building, within stipulated timeframe, cost and quality, and related triple constraints.

b) **Time:**

The Main Key Factor for the successful completion of the project is "Time", which is the Key Essence of the Project. The Employer/Client/Owner wants to Complete Entire Deliverables in accordance with the agreed Schedules/ Programme of Work provided and approved by the Employer/Client/Owner.

c) **Cost:**

The Employer/Client/Owner objective is also the project cost to be estimated in such a way that the execution cost remains within limits of the PC-1.

d) **Quality:**

Latest International Standards, practices and ethics including local practices and laws/ regulations of CDA shall be followed for the deliverance of complete services during review & execution of the Project. Detailed Construction

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

Supervision with respective qualified staff is required from the Consultants for the Quality Assurance & Quality Control in the execution phase.

- e) **Effective Communication:**
Effective Communication is the tool which is required in every phase of the Project with the relevant stakeholders. This ultimately led towards successful achievements of the Project objectives and keeps all stakeholders on the same page at a time in respective phase of the Project. The outcome of performing Effective Communication will deliver the Set Objectives of the Project in tangible format, which will be acceptable to key stakeholder of the Project specially Employer.
- f) **Health, Safety, Security & Environment (HSSE):**
The entire project, project deliverables and activities shall be monitored on keeping the concept and implementation of HSSE practices and relevant international codes and respective local laws. The Employer expectation is to achieve zero (0) LTI (Loss Time Injury) in the project. Occupational health, safety, security & environment is naturally top of the list of concerns for the owners.
- g) **Emergency Response Plans during Emergency:**
The review of designs of the proposed building shall have check the sound Emergency Response Plans to handle the situation during an emergency such as an earthquake and sudden break of a fire etc. The building shall have safe and effective and efficient evacuation plan & system for the inhabitants/ visitors of the building during an emergency and complete allied engineering systems to handle such emergency etc.
- h) **Vertical Transportation:**
One of the critical issues in the office building is vertical transportation during peak hours. The review of elevators' design shall include the adequacy of effective vertical transportation with management of such systems with complete study of vertical movement.
- i) **Effective Utilization of ENERGY including Solar:**
The design review of the proposed building shall have checked optimum utilization of the energy with effective systems for reducing energy losses including the losses may also be reduced through appropriate architectural & engineering features and materials etc. The HVAC design to be reviewed and check for best available and economic design for the building with latest technology and features. The building is adequately equipped with solar energy equipment installations in accordance with latest government regulations and to construct the carbon zero building.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

j) **Building exterior:**

The building exterior (Façade) is intended to be an architectural statement of quality and stature that embodies a luxury destination. The design review should include the checking of environment friendly and earthquake resistant structure/ building and confirms the project as smart and green building.

In addition to above, the utmost key objective of the project is to construct **Smart & Green, Eco Friendly Zero Energy Carbon Neutral Building** with smart engineering & interior designs and architectural finishes with appropriate & suitable firefighting equipment and emergency exit routes and best exterior and interior finishes and having all effective international functions/aspects/features for health, safety, environment & security with maximum utilization of day lights with minimum energy losses without any environmental damages. Green building concept provides fresh air, appropriate connection with nature, day lighting, solid waste disposal and greater comfort to inhabitants and visitors of the office building. The concepts of smart & green building shall be considered in the design review including carbon zero concept. The building shall have unique, cultural, attractive, less maintenance, long lasting & impressive façade finishes etc.

6. STAFF:

The Consultant's personnel (including any replacement personnel) occupying the following positions in the provision of that part of the services relating to Project Management & Detailed Construction Supervision shall meet the criteria described below.

6.1 Experts of Project Management Services:

The following experts requires for the project.

S. No.	Discipline of Staff/ Expert	Minimum Qualification	Minimum Experience
1	Team Leader/ The Engineer.	Bachelor of Civil Engineering from HEC recognized University & Professional Engineer valid licence from PEC.	30 Years of post qualification experience with at least five projects of similar nature supervised as The Engineer/ Team Leader.
2	Top Supervision Team:	-	-
2(a)	Architect	Bachelor of Architecture from HEC recognized University & valid license from PCATP & CDA in FY 2023-24.	12 Years of post qualification experience with at least three projects of similar nature supervised.
2(b)	Structural Engineer	Bachelor of Civil Engineering from HEC recognized University & Professional Engineer valid licence from PEC and CDA.	12 Years of post qualification experience with at least three projects of similar nature supervised.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

2(c)	Plumbing Engineer	Bachelor of Mechanical Engineering from HEC recognized University & Professional Engineer valid licence from PEC.	12 Years of post qualification experience with at least three projects of similar nature supervised.
2(d)	Electrical Engineer	Bachelor of Electrical Engineering from HEC recognized University & Professional Engineer valid licence from PEC	12 Years of post qualification experience with at least three projects of similar nature supervised.
2(e)	HVAC Engineer	Bachelor of Mechanical Engineering from HEC recognized University & Professional Engineer valid licence from PEC.	12 Years of post qualification experience with at least three projects of similar nature supervised.
2(f)	Lift Engineer	Bachelor of Mechanical Engineering from HEC recognized university & Professional Engineer valid licence from PEC.	12 Years of post qualification experience with at least three projects of similar nature supervised.
2(g)	Landscape Horticulture Engineer	Bachelors (relevant discipline)	12 Years of post qualification experience with at least three projects of similar nature supervised.
3	Planning Engineer	Bachelor of Civil/ Elect/ Mech Engineering from HEC recognized university & professional engineer valid license from PEC.	10 Years of post qualification experience with at least two projects of similar nature supervised.
4	Contracts Engineer	Bachelor of Civil/ Elect/ Mech Engineering from HEC recognized university & professional engineer valid license from PEC.	10 Years of post qualification experience with at least two projects of similar nature supervised. (In FIDIC based Contracts)

6.2 Detail Construction Supervision Team:

Following qualified persons are required as per agreed deployment schedule of construction supervision staff according to the need and requirements of technical staff at site with approval from the Employer.

S. No.	Nominated Expert/ Staff for Detailed Construction Supervision	Minimum Qualification of Experts/ Staff	Experience of Expert/ Staff	Estimated No. of Expert/ Staff	Estimated Staff-Months

Any reference to this Contract shall include, where the context permits, a reference to its Appendices.

2. The mutual rights and obligations of the Procuring Agency and the Consultant shall be as set forth in the Contract, in particular:
 - (a) the Consultant shall carry out the Services in accordance with the provisions of the Contract; and
 - (b) the Procuring Agency shall make payments to the Consultant in accordance with the provisions of the Contract.

IN WITNESS WHEREOF, the Parties hereto have caused this Contract to be signed in their respective names as of the day and year first above written.

For and on behalf of *[Name of Procuring Agency]*

[Authorized Representative of the Procuring Agency – name, title and signature]

For and on behalf of *[Name of Consultant or Name of a Joint Venture]*

[Authorized Representative of the Consultant – name and signature]

[For a joint venture, either all members shall sign or only the lead member, in which case the power of attorney to sign on behalf of all members shall be attached.]

For and on behalf of each of the members of the Consultant [insert the name of the Joint Venture]

[Name of the lead member]

[Authorized Representative on behalf of a Joint Venture]

[add signature blocks for each member if all are signing]

General Conditions of the Contract

A. General Provisions

1. Definitions

1.1 Unless the context otherwise requires, the following terms whenever used in this Contract have the following meanings:

- (a) **“Applicable Law”** means the laws and any other instruments having the force of law in Pakistan or as may be specified in the **Special Conditions of Contract (SCC)**, as they may be issued and in force from time to time.
- (b) **“Procuring Agency”** means:-
- (c) any Ministry, Division, Department or any Office of the Federal Government;
- (d) any authority, corporation, body or organization established by or under a Federal Law or which is owned or controlled by the Federal Government;.
- (e) **“Procuring Agency’s Personnel”** refers to the staff, labor and other employees (if any) of the Procuring Agency engaged in fulfilling the Procuring Agency’s obligations under the Contract; and any other personnel identified as Procuring Agency’s Personnel, by a notice from the Procuring Agency to the Consultant.
- (f) **“Consultant”** means a consulting firm, company or an organization or Joint Venture as the case may be;
- (g) **“Contract”** means an agreement enforceable by law;
- (h) **“Contractor”** means a firm, company or an organization who undertake to supply goods or works or services under works;
- (i) **“Contractor’s Personnel”** means personnel whom the Contractor utilizes in the execution of its contract, including the staff, labor and other employees of the Contractor and each subcontractor; and any other personnel assisting the Contractor in the execution of the contract to be supervised by the Consultant (if applicable).
- (j) **“Day”** means calendar day unless indicated otherwise.
- (k) **“Effective Date”** means the date on which this Contract comes into force and effect pursuant to Clause GCC 11.
- (l) **“Experts”** means, collectively, Key Experts, Non-Key Experts, or any other personnel of the Consultant, Sub-consultant or JV member(s) assigned by the Consultant to perform the Services or any part thereof under the Contract.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- (m) **“Foreign Currency”** means any currency other than the Pakistani Rupees.
- (n) **“GCC”** means these General Conditions of Contract.
- (o) **“Government”** means the Government of Pakistan.
- (p) **“Joint Venture (JV)”** means an association with or without a legal personality distinct from that of its members, of more than one entity where one member has the authority to conduct all businesses for and on behalf of any and all the members of the JV, and where the members of the JV are jointly and severally liable to the Procuring Agency for the performance of the Contract.
- (q) **“Key Expert(s)”** means an individual professional whose skills, qualifications, knowledge and experience are critical to the performance of the Services under the Contract and whose Curricula Vitae (CV) was taken into account in the technical evaluation of the Consultant’s proposal.
- (r) **“Local Currency”** means the currency of Pakistan
- (s) **“Non-Key Expert(s)”** means an individual professional provided by the Consultant or its Sub-consultant to perform the Services or any part thereof under the Contract.
- (t) **“Party”** means the Procuring Agency or the Consultant, as the case may be, and **“Parties”** means both of them.
- (u) **“SCC”** means the Special Conditions of Contract by which the GCC may be amended or supplemented but not over-written.
- (v) **“Services”** means any object of procurement other than goods or works; the work to be performed by the Consultant pursuant to this Contract, as described in Appendix A hereto.
- (w) **“Site”** (if applicable) means the land and other places where Works are to be executed or facilities to be installed, and such other land or places as may be specified in the Contractor’s Contract as forming part of the Site.
- (x) **“Sub-consultants”** means an entity to whom/which the Consultant subcontracts any part of the Services while remaining solely liable for the execution of the Contract.
- (y) **“Third Party”** means any person or entity other than the Government, the Procuring Agency, the Consultant or a Sub-consultant.

2. Relationship between the Parties

2.1. Nothing contained herein shall be construed as establishing a relationship of master and servant or of principal and agent as between the Procuring Agency and the Consultant. The Consultant, subject to

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

1. this Contract, has complete charge of the services, Experts, and Sub-consultants' services and experts etc., if any, performing the Services and shall be fully responsible for the Services performed by them or on their behalf hereunder.
3. **Law Governing Contract** 3.1. The contract shall be governed and interpreted in accordance with the laws of Pakistan, unless otherwise specified in SCC.
4. **Language** 4.1. The Contract as well as all correspondence and documents relating to the Contract exchanged between the Consultant and the Procuring Agency, shall be written in the English language unless otherwise stated in the SCC. Supporting documents and printed literature that are part of the Contract may be in another language provided these are accompanied by an accurate translation of the relevant passages in English, in which case, for purposes of interpretation of the Contract, this translation shall govern.
5. **Headings** 5.1. The headings shall not limit, alter or affect the meaning of this Contract.
6. **Communications** 6.1. Any communication required or permitted to be given or made pursuant to this Contract shall be in writing in the language specified in Clause GCC 4. Any such notice, request or consent shall be deemed to have been given or made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent to such Party at the address specified in the SCC.

6.2. A Party may change its address for notice hereunder by giving the other Party any communication of such change to the address specified in the SCC.
7. **Location** 7.1. The Services shall be performed at such locations as are specified in **Appendix A** hereto and, where the location of a particular task is not so specified, at such locations, whether in the Government's country or elsewhere, as the Procuring Agency may approve.
8. **Authority of Member in Charge** 8.1. In case the Consultant is a Joint Venture, the members hereby authorize the member specified in the SCC to act on their behalf in exercising all the Consultant's rights and obligations towards the Procuring Agency under this Contract, including without limitation the receiving of instructions and payments from the Procuring Agency.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

9. Authorized Representatives

9.1. Any action required or permitted to be taken, and any document required or permitted to be executed under this Contract by the Procuring Agency or the Consultant may be taken or executed by the officials specified in the SCC.

10. Fraud and Corruption

10.1 Public Procurement Regulatory Authority requires that Procuring Agencies (including beneficiaries of Government funded projects) as well as Applicants/Bidders/Suppliers/Contractors under Government financed contracts, observe the highest standard of ethics during the procurement and execution of such contracts.

10.2 The Consultant/Applicant/ Bidders shall permit and shall cause their agents (whether declared or not), sub-contractors, sub-consultants, service providers, suppliers, and their personnel, to permit the Procuring Agency to inspect all accounts, records and other documents relating to any, Bid submission, Primary Procurement process, Framework Agreement performance, Secondary Procurement process, and/or Call-off Contract performance (in the case of award of a Call-off Contract), and to have them audited by auditors appointed by the Procuring Agency.

10.3 Any communications between the Bidder and the Procuring Agency related to matters of alleged corrupt and fraudulent practices must be made in writing or in electronic forms that provide record of the content of communication.

10.4 Procuring Agency will reject proposal, if it is established that the Bidder was engaged in corrupt and fraudulent practices in competing for the contract.

10.5 Procuring Agency will also declare the bidder/Firm as blacklisted in accordance with the regulatory provisions PP Rule 19 and predefined standard mechanism.

B. Commencement, Completion, Modification and Termination of Contract

11. Effectiveness of Contract

11.1. This Contract shall come into force and effect on the date (the "Effective Date") of the Procuring Agency's notice to the Consultant instructing the Consultant to begin carrying out the Services. This notice shall confirm that the effectiveness conditions, if any, listed in the SCC have been met.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- 12. Termination of Contract for Failure to Become Effective** 12.1. If this Contract has not become effective within such time period after the date of Contract signature as specified in the SCC, either Party may, by not less than twenty two (22) days written notice to the other Party, declare this Contract to be null and void, and in the event of such a declaration by either Party, neither Party shall have any claim against the other Party with respect hereto.
- 13. Commencement of Services** 13.1. The Consultant shall confirm availability of Key Experts and begin carrying out the Services not later than the number of days after the Effective Date specified in the SCC.
- 14. Expiration of Contract** 14.1. Unless terminated earlier pursuant to Clause GCC 19 hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the SCC.
- 15. Entire Agreement** 15.1. This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.
- 16. Modifications or Variations** 16.1. Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any proposals for modification or variation made by the other Party.
- 16.2. In cases of any modifications or variations, the prior written consent of the Procuring Agency is required.
- 17. Force Majeure**
- a. Definition** 17.1. For the purposes of this Contract, “Force Majeure” means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable, and makes a Party’s performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible under the circumstances, and subject to those requirements, includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action confiscation or any other action by Government agencies.
- 17.2. Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a Party or such Party’s Experts, Sub-consultants or agents or employees, nor (ii) any event which a diligent Party could reasonably have been expected to both take into account at the time of the conclusion of this Contract, and avoid or overcome in the carrying out of its obligations hereunder.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

17.3. Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

b. No Breach of Contract 17.4. The failure of a Party to fulfil any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.

c. Measures to be Taken 17.5. A Party affected by an event of Force Majeure shall continue to perform its obligations under the Contract as far as is reasonably practical and shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

17.6. A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any case not later than fourteen (14) calendar days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give written notice of the restoration of normal conditions as soon as possible.

17.7. Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

17.8. During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultant, upon instructions by the Procuring Agency, shall either:

- (a) demobilize, in which case the Consultant shall be reimbursed for additional costs they reasonably and necessarily incurred, and, if required by the Procuring Agency, in reactivating the Services; or
- (b) continue with the Services to the extent reasonably possible, in which case the Consultant shall continue to be paid under the terms of this Contract and be reimbursed for additional costs reasonably and necessarily incurred.

17.9. In the case of disagreement between the Parties as to the existence or extent of Force Majeure, the matter shall be settled according to Clauses GCC 49 & 50.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

18. Suspension

18.1. The Procuring Agency may, by written notice of suspension to the Consultant, suspend all payments to the Consultant hereunder if the Consultant fails to perform any of its obligations under this Contract, including the carrying out of the Services, provided that such notice of suspension (i) shall specify the nature of the failure, and (ii) shall request the Consultant to remedy such failure within a period not exceeding thirty (30) calendar days after receipt by the Consultant of such notice of suspension.

19. Termination

19.1 This Contract may be terminated by either Party as per provisions set up below:

a. By the Procuring Agency

19.1.1 The Procuring Agency may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (f) of this Clause. In such an occurrence the Procuring Agency shall give at least thirty (30) calendar days' written notice of termination to the Consultant in case of the events referred to in (a) through (d); at least sixty (60) calendar days' written notice in case of the event referred to in (e); and at least five (5) calendar days' written notice in case of the event referred to in (f):

- (a) If the Consultant fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension pursuant to Clause GCC 18;
- (b) If the Consultant becomes (or, if the Consultant consists of more than one entity, if any of its members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
- (c) If the Consultant fails to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause GCC 49
- (d) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;
- (e) If the Procuring Agency, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;
- (f) If the Consultant fails to confirm availability of Key Experts as required in Clause GCC 13.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

19.1.2 if the Consultant, in the judgment of the Procuring Agency has engaged in Fraud and Corruption, as defined in paragraph 1.23 of Attachment 1 to the GCC, in competing for or in executing the Contract, then the Procuring Agency may, after giving fourteen (14) calendar days written notice to the Consultant, terminate the Consultant's employment under the Contract.

b. By the Consultant

19.1.3 The Consultant may terminate this Contract, by not less than thirty (30) calendar days' written notice to the Procuring Agency, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause.

- (a) If the Procuring Agency fails to pay any money due to the Consultant pursuant to this Contract and not subject to dispute pursuant to Clauses GCC 50.1 within forty-five (45) calendar days after receiving written notice from the Consultant that such payment is overdue.
- (b) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days.
- (c) If the Procuring Agency fails to comply with any final decision reached as a result of arbitration pursuant to Clause GCC 50.1.
- (d) If the Procuring Agency is in material breach of its obligations pursuant to this Contract and has not remedied the same within forty-five (45) days (or such longer period as the Consultant may have subsequently approved in writing) following the receipt by the Procuring Agency of the Consultant's notice specifying such breach.

c. Cessation of Rights and Obligations

19.1.4 Upon termination of this Contract pursuant to Clauses GCC 12 or GCC 19 hereof, or upon expiration of this Contract pursuant to Clause GCC 14, all rights and obligations of the Parties hereunder shall cease, except (i) such rights and obligations as may have accrued on the date of termination or expiration, (ii) the obligation of confidentiality set forth in Clause GCC 22, (iii) the Consultant's obligation to permit inspection, copying and auditing of their accounts and records set forth in Clause GCC 25 and to cooperate and assist in any inspection or investigation, and (iv) any right which a Party may have under the Applicable Law.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- d. Cessation of Services** 19.1.5 Upon termination of this Contract by notice of either Party to the other pursuant to Clauses GCC 19a or GCC 19b, the Consultant shall, immediately upon dispatch or receipt of such notice, take all necessary steps to bring the Services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditures for this purpose to a minimum. With respect to documents prepared by the Consultant and equipment and materials furnished by the Procuring Agency, the Consultant shall proceed as provided, respectively, by Clauses GCC 27 or GCC 28.
- e. Payment upon Termination** 19.1.6 Upon termination of this Contract, the Procuring Agency shall make the following payments to the Consultant:
- (a) remuneration for Services satisfactorily performed prior to the effective date of termination, and reimbursable expenditures for expenditures actually incurred prior to the effective date of termination; and pursuant to Clause 43;
 - (b) in the case of termination pursuant to paragraphs (d) and (e) of Clause GCC 19.1.1, reimbursement of any reasonable cost incidental to the prompt and orderly termination of this Contract, including the cost of the return travel of the Experts.

C. Obligations of the Consultant

20. General

- a. Standard of Performance** 20.1 The Consultant shall perform the Services and carry out the Services with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The Consultant shall always act, in respect of any matter relating to this Contract or to the Services, as a faithful adviser to the Procuring Agency, and shall at all times support and safeguard the Procuring Agency's legitimate interests in any dealings with the third parties.
- 20.2 The Consultant shall employ and provide such qualified and experienced Experts and Sub-consultants as are required to carry out the Services.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- 20.3 The Consultant may subcontract part of the Services to an extent and with such Key Experts and Sub-consultants as may be approved in advance by the Procuring Agency.
- 2. b. Law Applicable to Services** 20.4 The Consultant shall perform the Services in accordance with the Contract and in accordance with the Law of Pakistan and shall take all practicable steps to ensure that any of its Experts and Sub-consultants, comply with the Applicable Law.
- 21. Conflict of Interests** 21.1 The Consultant shall hold the Procuring Agency's interests paramount, without any consideration for future work, and strictly avoid conflict with other assignments or their own corporate interests.
- a. Consultant Not to Benefit from Commissions, Discounts, etc.** 21.1.1 The payment of the Consultant pursuant to GCC F (Clauses GCC 42 through 47) shall constitute the Consultant's only payment in connection with this Contract and, subject to Clause GCC 21.1.3, the Consultant shall not accept for its own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or in the discharge of its obligations hereunder, and the Consultant shall use its best efforts to ensure that any Sub-consultants, as well as the Experts and agents of either of them, similarly shall not receive any such additional payment.
- 21.1.2 Furthermore, if the Consultant, as part of the Services, has the responsibility of advising the Procuring Agency on the procurement of goods, works or services. Any discounts or commissions obtained by the Consultant in the exercise of such procurement responsibility shall be for the account of the Procuring Agency.
- b. Consultant and Affiliates Not to Engage in Certain Activities** 21.1.3 The Consultant agrees that, during the term of this Contract and after its termination, the Consultant and any entity affiliated with the Consultant, as well as any Sub-consultants and any entity affiliated with such Sub-consultants, shall be disqualified from providing goods, works or non-consulting services resulting from or directly related to the Consultant's Services for the preparation or implementation of the project, unless otherwise indicated in the SCC.
- c. Prohibition of Conflicting Activities** 21.1.4 The Consultant shall not engage, and shall cause its Experts as well as its Sub-consultants not to engage, either directly or indirectly, in any business or professional activities that would conflict with the activities assigned to them under this Contract.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- d. Strict Duty to Disclose Conflicting Activities** 21.1.5 The Consultant has an obligation and shall ensure that its Experts and Sub-consultants shall have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Procuring Agency, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.
- 22. Confidentiality** 22.1 Except with the prior written consent of the Procuring Agency, the Consultant and the Experts shall not at any time communicate to any person or entity any confidential information acquired in the course of the Services, nor shall the Consultant and the Experts make public the recommendations formulated in the course of, or as a result of, the Services.
- 23. Liability of the Consultant** 23.1 Subject to additional provisions, if any, set forth in the SCC, the Consultant's liability under this Contract shall be as determined under the Applicable Law.
- 24. Insurance to be Taken out by the Consultant** 24.1 The Consultant (i) shall take out and maintain, and shall cause any Sub-consultants to take out and maintain, at its (or the Sub-consultants', as the case may be) own cost but on terms and conditions approved by the Procuring Agency, insurance against the risks, and for the coverage specified in the SCC, and (ii) at the Procuring Agency's request, shall provide evidence to the Procuring Agency showing that such insurance has been taken out and maintained and that the current premiums therefore have been paid. The Consultant shall ensure that such insurance is in place prior to commencing the Services as stated in Clause GCC 13.
- 25. Accounting, Inspection and Auditing** 25.1 The Consultant shall keep and shall make all reasonable efforts to cause its Sub-consultants to keep, accurate and systematic accounts and records in respect of the Services in such form and detail as will clearly identify relevant time changes and costs.
- 25.2. Pursuant to paragraph 1.23 (e) of Attachment 1 to the General Conditions, the Consultant shall permit and shall cause its agents (where declared or not), subcontractors, sub-consultants, service providers, suppliers, and personnel, to permit, the procuring agency to inspect the site and/or the accounts, records and other documents relating to the procurement process, selection and/or contract execution, and to have such accounts, records and other documents. The Consultant's and its Subcontractors' and sub-consultants' attention is drawn to Sub-Clause 10.1 (Fraud and Corruption) which provides, inter alia, that acts intended to materially impede the

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

exercise of the Procuring Agency's inspection and audit rights constitute a prohibited practice subject to contract termination.

26. Reporting Obligations

26.1 The Consultant shall submit to the Procuring Agency the reports and documents specified in **Appendix A**, in the form, in the numbers and within the time periods set forth in the said Appendix.

27. Proprietary Rights of the Procuring Agency in Reports and Records

27.1 Unless otherwise indicated in the **SCC**, all reports and relevant data and information such as maps, diagrams, plans, databases, other documents and software, supporting records or material compiled or prepared by the Consultant for the Procuring Agency in the course of the Services shall be confidential and become and remain the absolute property of the Procuring Agency. The Consultant shall, not later than upon termination or expiration of this Contract, deliver all such documents to the Procuring Agency, together with a detailed inventory thereof. The Consultant may retain a copy of such documents, data and/or software but shall not use the same for purposes unrelated to this Contract without prior written approval of the Procuring Agency.

27.2 If license agreements are necessary or appropriate between the Consultant and third parties for purposes of development of the plans, drawings, specifications, designs, databases, other documents and software, the Consultant shall obtain the Procuring Agency's prior written approval to such agreements, and the Procuring Agency shall be entitled at its discretion to require recovering the expenses related to the development of the program(s) concerned. Other restrictions about the future use of these documents and software, if any, shall be specified in the **SCC**.

28. Equipment, Vehicles and Materials

28.1 Equipment, vehicles and materials made available to the Consultant by the Procuring Agency or purchased by the Consultant wholly or partly with funds provided by the Procuring Agency, shall be the property of the Procuring Agency and shall be marked accordingly. Upon termination or expiration of this Contract, the Consultant shall make available to the Procuring Agency an inventory of such equipment, vehicles and materials and shall dispose of such equipment, vehicles and materials in accordance with the Procuring Agency's instructions. While in possession of such equipment, vehicles and materials, the Consultant, unless otherwise instructed by the Procuring Agency in writing, shall insure them at the expense of the Procuring Agency in an amount equal to their full replacement value.

28.2 Any equipment or materials brought by the Consultant or its Experts into the Procuring Agency's country for the use either for the project or

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

personal use shall remain the property of the Consultant or the Experts concerned, as applicable.

29. Code of Conduct

29.1 The Procuring Agencies and the Consultant are bound to follow the Code of Ethics issued by the Authority.

D. Consultant's Experts and Sub-Consultants

30. Description of Services and Experts

30.1 The title, Scope of services, and experts with minimum qualification, to carry out the assignment are described in **Appendix A and Appendix-B**.

30.2 If required to comply with the provisions of Clause GCC 20a, adjustments with respect to the estimated Key Experts set forth in **Appendix B** may be made by the Consultant by a written notice to the Procuring Agency and agreed by the Procuring Agency in writing.

30.3 If additional work is required beyond the scope of the Services specified in **Appendix A**, the estimated cost for the services may be increased by agreement in writing between the Procuring Agency and the Consultant on mutual agreement basis with detailed breakdowns.

31. Replacement of Key Experts

31.1 Except as the Procuring Agency may otherwise agree in writing, no changes shall be made in the Key Experts.

31.2 Notwithstanding the above, the substitution of Key Experts during Contract execution may be considered only based on the Consultant's written request and due to circumstances outside the reasonable control of the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall forthwith provide as a replacement, a person of equivalent or better qualifications and experience, and at the same rate of remuneration.

32. Approval of Additional Key Experts

32.1 If during execution of the Contract, additional Key Experts are required to carry out the Services, the Consultant shall submit to the Procuring Agency for review and approval a copy of their Curricula Vitae (CVs). If the Procuring Agency does not object in writing (stating the reasons for the objection) within twenty-two (22) days from the date of receipt of such CVs, such additional Key Experts shall be deemed to have been approved by the Procuring Agency.

The rate of remuneration payable to such new additional Key Experts shall be based on the rates for other Key Experts position which require similar qualifications and experience.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

-
- 33. Removal of Experts or Sub-consultants**
- 33.1 If the Procuring Agency finds that any of the Experts or Sub-consultant has committed serious misconduct or has been charged with having committed a criminal action, or shall the Procuring Agency determine that a Consultant's Expert or Sub-consultant has engaged in Fraud and Corruption while performing the Services, the Consultant shall, at the Procuring Agency's written request, provide a replacement.
- 33.2 In the event that any of Key Experts, Non-Key Experts or Sub-consultants is found by the Procuring Agency to be incompetent or incapable in discharging assigned duties, the Procuring Agency, specifying the grounds therefore, may request the Consultant to provide a replacement.
- 33.3 Any replacement of the removed Experts or Sub-consultants shall possess better qualifications and experience and shall be acceptable to the Procuring Agency.
- 34. Replacement/ Removal of Experts – Impact on Payments**
- 34.1 Except as the Procuring Agency may otherwise agree, (i) the Consultant shall bear all additional travel and other costs arising out of or incidental to any removal and/or replacement, and (ii) the remuneration to be paid for any of the Experts provided as a replacement shall not exceed the remuneration which would have been payable to the Experts replaced or removed.
- 35. Working Hours, Overtime, Leave, etc.**
- 35.1 Working hours and holidays for Experts are set forth in SCC.
- 35.2 The Experts shall not be entitled to be paid for overtime nor to take paid sick leave or vacation leave except as per consultant's organization policy, and the Consultant's remuneration shall be deemed to cover these items.
- 35.3 Any taking of leave by Key Experts shall be subject to the prior approval by the Consultant who shall ensure that absence for leave purposes will not delay the progress and or impact adequate supervision of the Services.

E. Obligations of the Procuring Agency

- 36. Assistance and Exemptions**
- 36.1 Unless otherwise specified in the SCC, the Procuring Agency shall use its best efforts to:
- (a) Assist the Consultant with obtaining work permits and such other documents as shall be necessary to enable the Consultant to perform the Services.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- (b) Assist the Consultant with promptly obtaining, for the Experts and, if appropriate, their eligible dependents, all necessary entry and exit visas, residence permits, exchange permits and any other documents required for their stay in the Procuring Agency's country while carrying out the Services under the Contract.
- (c) Facilitate prompt clearance through customs of any property required for the Services and of the personal effects of the Experts and their eligible dependents.
- (d) Issue to officials, agents and representatives of the Government all such instructions and information as may be necessary or appropriate for the prompt and effective implementation of the Services.
- (e) Assist the Consultant and the Experts and any Sub-consultants employed by the Consultant for the Services with obtaining exemption from any requirement to register or obtain any permit to practice their profession or to establish themselves either individually or as a corporate entity in the Procuring Agency's country according to the applicable law in the Procuring Agency's country.
- (f) Assist the Consultant, any Sub-consultants and the Experts of either of them with obtaining the privilege, pursuant to the applicable law in the Procuring Agency's country, of bringing into the Procuring Agency's country reasonable amounts of foreign currency for the purposes of the Services or for the personal use of the Experts and of withdrawing any such amounts as may be earned therein by the Experts in the execution of the Services.
- (g) Provide to the Consultant any such other assistance as may be specified in the SCC.

**37. Access to
Project Site**

37.1 The Procuring Agency warrants that the Consultant shall have, free of charge, unimpeded access to the project site in respect of which access is required for the performance of the Services. The Procuring Agency will be responsible for any damage to the project site or any property thereon resulting from such access and will indemnify the Consultant and each of the experts in respect of liability for any such damage, unless such damage is caused by the wilful default or negligence of the Consultant or any Sub-consultants or the Experts of either of them.

**38. Change in the
Applicable Law**

38.1 If, after the date of this Contract, there is any change in the applicable law in the Procuring Agency's country with respect to taxes

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- Related to Taxes and Duties** and duties which increases or decreases the cost incurred by the Consultant in performing the Services, then the remuneration and reimbursable expenses otherwise payable to the Consultant under this Contract shall be increased or decreased accordingly by agreement between the Parties hereto, and corresponding adjustments shall be made to the ceiling amounts specified in Clause GCC 42.2.
- 39. Services, Facilities and Property of the Procuring Agency**
- 39.1 The Procuring Agency shall make available to the Consultant and the Experts, for the purposes of the Services and free of any charge, the services, facilities and property described in **Appendix F**.
- 39.2 In case that such services, facilities and property shall not be made available to the Consultant as and when specified in **Appendix F**, the Parties shall agree on (i) any time extension that it may be appropriate to grant to the Consultant for the performance of the Services, (ii) the manner in which the Consultant shall procure any such services, facilities and property from other sources, and (iii) the additional payments, if any, to be made to the Consultant as a result thereof pursuant to Clause GCC 42.3.
- 40. Counterpart Personnel**
- 40.1 The Procuring Agency shall make available to the Consultant free of charge such professional and support counterpart personnel, to be nominated by the Procuring Agency with the Consultant's advice, if specified in **Appendix A & Appendix-B**.
- 40.2 If counterpart personnel are not provided by the Procuring Agency to the Consultant as and when specified in **Appendix A & Appendix-B**, the Procuring Agency and the Consultant shall agree on (i) how the affected part of the Services shall be carried out, and (ii) the additional payments, if any, to be made by the Procuring Agency to the Consultant as a result thereof pursuant to Clause GCC 42.3.
- 40.3 Professional and support counterpart personnel, excluding Procuring Agency's liaison personnel, shall work under the exclusive direction of the Consultant. If any member of the counterpart personnel fails to perform adequately any work assigned to such member by the Consultant that is consistent with the position occupied by such member, the Consultant may request the replacement of such member, and the Procuring Agency shall not unreasonably refuse to act upon such request.
- 41. Payment Obligation**
- 41.1 In consideration of the Services performed by the Consultant under this Contract, the Procuring Agency shall make such payments to the Consultant and in such manner as is provided in Appendix-I below.

F. Payments to the Consultant

- 42. Ceiling Amount** 42.1 The tendered cost of the Services is set forth in **Appendix C** (Remuneration) and **Appendix D** (Reimbursable Cost).
- 42.2 Payments under this Contract shall not exceed the ceilings in foreign currency and in local currency specified in the **SCC**.
- 42.3 For any payments in excess of the ceilings specified in **GCC42.2**, an amendment to the Contract shall be signed by the Parties referring to the provision of this Contract that evokes such amendment.
- 43. Tendered Remuneration and Reimbursable Cost** 43.1 The Procuring Agency shall pay to the Consultant (i) tendered remuneration that shall be determined on the basis of itemized lumpsum cost for project management services; and (ii) tendered monthly remuneration of the experts engaged for detailed construction supervision, after the date of commencing of Services or such other date as the Parties shall agree in writing; and (iii) tendered reimbursable cost that are actually and reasonably incurred and agreed by the Employer/ Client in writing in the performance of the Services.
- 43.2 All payments shall be at the prices/ rates set forth in **Appendix C** and **Appendix D**.
- 43.3 Unless the **SCC** provides for the price adjustment of the remuneration rates, said remuneration shall be fixed for the duration of the Contract.
- 43.4 The remuneration prices and rates shall cover: (i) such cost of services including salaries and allowances, taxes etc. as the Consultant shall have agreed to pay to the Experts as well as factors for social charges and overheads (bonuses or other means of profit-sharing shall not be allowed as an element of overheads), (ii) the cost of backstopping by home office staff not included in the Experts' list in **Appendix B**, (iii) the Consultant's profit, and (iv) any other items if specified in the **SCC**.
- 43.5 Any prices/ rates specified for services, Experts not yet appointed shall be provisional, if not provided/ listed in the contract and shall be subject to revision, with the written approval of the Procuring Agency, once the applicable remuneration rates and allowances are known.
- 44. Taxes and Duties** 44.1 The Consultant, Sub-consultants and Experts and their services are responsible for meeting any and all tax liabilities arising out of the Contract unless it is stated otherwise in the **SCC**.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

44.2 As an exception to the above and as stated in the **SCC**, all local identifiable indirect taxes (itemized and finalized at Contract negotiations) are reimbursed to the Consultant or are paid by the Procuring Agency on behalf of the Consultant.

45. Currency of Payment

45.1 Any payment under this Contract shall be made in the currency(ies) specified in the **SCC**.

46. Mode of Billing and Payment

46.1 Billings and payments in respect of the Services shall be made as follows:

- (a) Advance payment. Within the number of days after the Effective Date, the Procuring Agency shall pay to the Consultant an advance payment as specified in the **SCC**. Unless otherwise indicated in the **SCC**, an advance payment shall be made against an advance payment bank guarantee acceptable to the Procuring Agency in an amount (or amounts) and in a currency (or currencies) specified in the **SCC**. Such guarantee (i) is to remain effective until the advance payment has been fully set off, and (ii) is to be in the form set forth in **Appendix E**, or in such other form as the Procuring Agency shall have approved in writing. The advance payments will be set off by the Procuring Agency in equal installments against the statements for the number of months of the Services specified in the **SCC** until said advance payments have been fully set off.
- (b) The Itemized Invoices. As soon as practicable and not later than fifteen (15) days after the end of each calendar month during the period of the Services, or after the end of each time interval otherwise indicated in the **Appendix-I**, the Consultant shall submit to the Procuring Agency, in duplicate, itemized invoices, accompanied by the receipts or other appropriate supporting documents, of the amounts payable pursuant to Clauses GCC 45 and GCC 46 and Appendix-I, or any other period indicated in the **SCC**. Each invoice shall show tendered remuneration and reimbursable cost separately.
- (c) The Procuring Agency shall pay the Consultant's invoices within sixty (60) days after the receipt by the Procuring Agency of such itemized invoices with supporting documents. Only such portion of an invoice that is not satisfactorily supported may be withheld from payment. Should any discrepancy be found to exist between actual payment and costs authorized to be incurred by the Consultant, the Procuring Agency may add or subtract the difference from any subsequent payments.

REQUEST FOR PROPOSALS

CONSULTANCY SERVICES FOR PROJECT MANAGEMENT & DETAILED CONSTRUCTION SUPERVISION SERVICES

- (d) *The Final Payment.* The final payment under this Clause shall be made only after the final report and a final invoice, identified as such, shall have been submitted by the Consultant and approved as satisfactory by the Procuring Agency. The Services shall be deemed completed and finally accepted by the Procuring Agency and the final report and final invoice shall be deemed approved by the Procuring Agency as satisfactory ninety (90) calendar days after receipt of the final report and final invoice by the Procuring Agency unless the Procuring Agency, within such ninety (90) calendar day period, gives written notice to the Consultant specifying in detail deficiencies in the Services, the final report or final invoice. The Consultant shall thereupon promptly make any necessary corrections, and thereafter the foregoing process shall be repeated. Any amount that the Procuring Agency has paid or has caused to be paid in accordance with this Clause in excess of the amounts payable in accordance with the provisions of this Contract shall be reimbursed by the Consultant to the Procuring Agency within thirty (30) days after receipt by the Consultant of notice thereof. Any such claim by the Procuring Agency for reimbursement must be made within twelve (12) calendar months after receipt by the Procuring Agency of a final report and a final invoice approved by the Procuring Agency in accordance with the above.
- (e) All payments under this Contract shall be made to the accounts of the Consultant specified in the SCC.
- (f) With the exception of the final payment under (d) above, payments do not constitute acceptance of the Services nor relieve the Consultant of any obligations hereunder.

47. Interest on Delayed Payments

47.1 If the Procuring Agency had delayed payments beyond fifteen (15) days after the due date stated in Clause GCC 46.1 (c), interest shall be paid to the Consultant on any amount due by, not paid on, such due date for each day of delay at the annual rate stated in the SCC.

G. Fairness and Good Faith

48. Good Faith

48.1 The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

H. Settlement of Disputes

49. Amicable Settlement

49.1 Any dispute of any kind whatsoever shall arise between the Authority and the Service Provider in connection with or arising out of the Contract, including without prejudice to the generality of the foregoing, any question regarding its existence, validity or termination, or the execution of the Project –whether during developing phase or after their completion and whether before or after the termination, abandonment or breach of the Contract – the parties shall seek to resolve any such dispute or difference by mutual consultation. If the parties fail to resolve such a dispute or difference even after negotiations or mediation, then the dispute shall be referred within fourteen (14) days in writing by either party to the Arbitrator, with a copy to the other party.

49.2 Any dispute in respect of which a notice of intention to commence arbitration has been given, in accordance with GCC sub-clause 45.1, shall be finally settled by arbitration. Arbitration may be commenced prior to or after completion of the Project. Arbitration proceedings shall be conducted in accordance with Arbitration Act 1940.

49.3 Notwithstanding any reference to the arbitration herein, the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree that the Authority shall pay the Service Provider any monies due the Service Provider.
