Or

- ii) The **SCC** stipulates the payment schedule offered by the Procuring Agency. Or

- ii) The Procuring Agency will draw up a list of high-usage and high-value items of components and spare parts, along with estimated quantities of usage in the initial period of operation specified in the **BDS**. The total cost of these items and quantities will be computed from spare parts unit prices submitted by the Bidder and added to the Bid price.

However, it is assumed that Bidders shall have read the Technical Requirements and other sections of these Bidding Documents to ascertain the full scope of the requirements associated with each item prior to filling in the rates and prices. The Procuring Agency will correct any arithmetic error.
7. Payments will be made to the Supplier in Pak Rupees as indicated under each respective item.
