CCP to hold public hearing on discriminatory access

ISLAMABAD: The Competition Commission of Pakistan (CCP) has taken notice of concerns raised by petroleum companies regarding the discriminatory access to Inland Freight Equalisation Margin (IFEM) pool which is distorting conditions of competition in crude and refined oil markets.

In a statement issued on Friday, the CCP said that it was entrusted with the responsibility under Sections 28 and 29 of the Competition Act, 2010 to promote competition through advocacy which includes holding open hearing on any matter affecting the state of competition or the country's commercial activities and expressing publicly an opinion with respect to the issues.

The Commission has scheduled a public hearing inviting all the stakeholders to share their views on the aforementioned issues.

The hearing will be held on February 25, 2014 at 11 am at its office located at 8th Floor, 55-B, ISE Tower, Jinnah Avenue, Islamabad.

The Commission has asked all interested parties to get themselves registered latest by February 24, 2014 by faxing their details at 051-9100236.—APP

Discriminatory access to IFEM pool,**CCP addresses petroleum
companies' concerns**

ISLAMABAD: The Competition Commission of Pakistan (CCP) has taken notice of concerns raised by petroleum companies, on the apparently discriminatory access to Inland Freight Equalization Margin (IFEM) pool which is distorting conditions of competition in crude and refined oil markets.

Sections 28 and 29 of the Competition Act, 2010 entrust the Commission with the

responsibility to "promote competition through advocacy which includes holding open hearing on any matter affecting the state of competition in Pakistan or affecting the country's commercial activities and expressing publicly an opinion with respect to the issues."

The commission has scheduled a public hearing inviting all the stakeholders to share their views on the aforementioned

issues/concerns which will be held on February 25, 2014 at the commission's office.

The commission has asked all interested parties, who wish to attend the public hearing to get themselves registered with the commission latest by February 24, 2014 for participation in the public hearing. Names of participants, their telephone numbers may be faxed at 051-9100236, if added.—PR

CCP takes notice of POL firms' concerns

By our correspondent

ISLAMABAD: The Competition Commission of Pakistan (CCP) has taken notice of concerns raised by petroleum companies on the apparently discriminatory access to Inland Freight Equalisation Margin (IFEM) pool, which is distorting conditions of competition in crude and refined oil markets, a statement said.

A CCP announcement made on Friday said that the sections 28 and 29 of the Competition Act, 2010 entrust the commission with the responsibility to "promote competition through advocacy, which includes holding open hearing on any matter affecting the state of competition in Pakistan or affecting the country's commercial activities and expressing publicly an opinion with respect to the issues."

The commission has scheduled a public hearing, inviting all the stakeholders to share their views on the aforementioned issues / concerns, which will be held on 25-02-2014 at 11 am at the commission office located in Islamabad, it said.
