**“CCP AWARDED THREE-STAR RATING BY GLOBAL COMPETITION REVIEW”**

## Global Competition Review gives CCP 3 stars

By our correspondent

ISLAMABAD: London-based Global Competition Review (GCR) has awarded three-star rating to the Competition Commission of Pakistan (CCP) in its annual ranking of the world's top antitrust/competition authorities, a statement said on Tuesday.

Alongside the 3-star rating, GCR has shown CCP's performance indicator with upwards arrow as, "improving upon its previous accomplishments." The CCP's 3-star rating brings it at par with the competition authorities of countries including, Switzerland, South Africa, Belgium, Israel, and Romania.

GCR's rating enforcement and star-rating is the result of an independent and objective process scrutinising information and data supplied by the competition authorities, the GCR's daily reporting, and interviews with lawyers and economists on the quality of an agency's work in their jurisdiction.

Their analysis rates each authority on a scale of one to five stars.

"The Competition Commission of Pakistan has made several substantial strides in the past couple of years and re-established itself as one of the region's key competition enforcers," the GCR noted in its brief in the rating enforcement.

CCP chairperson Rahat Kaunain Hassan, who rejoined in July 2020, credited the achievement to CCP's team. "International benchmarking will help CCP maintain the right focus and it will contribute to its better performance," she said.

GCR recognised CCP's performance in enforcement, saying, "With just 45 non-administrative competition staff and a starting budget of approximately €4 million, the CCP does well with its modest resources."

Referring to the commission's sugar order, it noted that CCP's most eye-catching achievement of 2021 was the decision to impose a record fine of about €200.6 million (PKR 44 billion) in August 2021 against several companies for "compulsive or pathological" collusion in the sugar sector.

Similarly, the dawn raids (search and inspection) according to GCR, proved to be an effective tool for CCP as the raids in poultry, milk, tractor manufacturers, and other sectors resulted in uncovering the evidence of anti-competitive activities in the sectors.

The GCR recognised that the commission had made strides on the legal front and on achieving its financial autonomy. "Underpinning its successes in 2021 was a major victory before the Lahore High Court in October 2020, which upheld the Competition Act as constitutionally valid. That endorsement was strengthened further in 2021 by the Islamabad and Sindh High Courts."

Achieving financial autonomy has been termed as a major development in 2021 whereby the government agreed to hand over 3 percent of the fees and charges levied by a group of five regulatory bodies. "The decision was made after a decade of lobbying by the commission, as well as coordination and communication with the Ministry of Finance and the Ministry of Law and Justice."

## گلوبل کمپنیشن ریویو کی جانب سے سی سی پی کیلئے تھری سٹار ریٹنگ کا اعزاز

### اس ریٹنگ کی درجہ بندی عالمی کمپنیشن اداروں کی کارکردگی کا مفصل جائزہ لینے کے بعد کی جاتی ہے

تعریف کی ہے کہ صرف 45 افراد پر مشتمل نان ایڈمنسٹریٹو کمپنیشن سٹاف اور صرف 4 ملین یورو کے ابتدائی بجٹ کے ساتھ سی سی پی نے اپنے محدود وسائل میں قابل ستائش کام کیا ہے۔ جی سی آر کے مطابق سال 2021 میں سی سی پی کی سب سے اہم کامیابی شوکر آرڈر کو قرار دیا گیا جس میں مختلف کمپنیوں کی ساز باز پر 44 ارب روپے کا جرمانہ عائد کیا گیا۔ جی سی آر نے پولٹری، دودھ، ٹریکٹر مینوفیکچررز اور مختلف سیکٹرز میں سی سی پی کے سرچ انجین کا بھی ذکر کیا ہے جس کے نتیجے میں ان سیکٹرز میں کمپنیشن مخالف سرگرمیوں کے ثبوت حاصل ہوئے۔ قانونی محاذ پر سی سی پی کی اہم کامیابیوں کو اعتراف کرتے ہوئے جی سی آر نے لاہور ہائی کورٹ کے اکتوبر 2020 کے فیصلے کا حوالہ دیا ہے جس میں کمپنیشن ایکٹ کا آئینی نفاذ درست قرار دیا گیا تھا اور بعد میں 2021 میں اسلام آباد اور سندھ ہائی کورٹ کے فیصلوں سے اسے مدد تقویت ملی۔ اس کے علاوہ، جی سی آر کی جانب سے سی سی پی کی فائنٹھل اٹانومی کے حصول کو 2021 میں ایک بڑی پیشرفت قرار دیا گیا ہے جس کے تحت حکومت نے پانچ ریگولیٹری اداروں کی طرف سے عائد فیسوں اور چارجز کا 3 فیصد سی سی پی کے حوالے کرنے پر اتفاق کیا۔ چیئر پرسن راحت کوئین حسن کا مزید کہنا تھا کہ جہاں سی سی پی کمپنیشن قانون کے منہ نفاذ کے لئے ہمیشہ پر عزم ہے، وہیں کمپنیشن قانون کے نفاذ کے ثمرات ایک عام آدمی کو تب ہی نظر آئیں گے جب کارپوریٹ معیشت میں کمپنیشن مخالف سرگرمیوں پر جرمانہ بھریں گے۔ اس لیے کارپوریٹ کمیٹی کے حوالے سے جوڈیشل ریویو کو ترجیح دینے کی ضرورت ہے۔
