

Trade associations should avoid price fixation

By our correspondent

LAHORE: The participants of a seminar held at the Pakistan Association of Automotive Parts & Accessories Manufacturers (PAAPAM) were told that trade associations should avoid price fixation and other anti-competitive agreements and should seek guidance and advice from the Competition Commission of Pakistan for better compliance with the Competition Law.

The seminar was held as part of the National Road Show on Competition Law being held by the Competition Commission of Pakistan (CCP). The seminar was attended by Mumshad Ali, President PAA-PAM, Tanvir Hayat Mir, Senior Member PAPAM, CCP Mem-

bers Shahzad Ansar, Ikram Ul Haque Qureshi, CCP Directors Asfandyar Khattak, Syed Umair Javed, and Members of PAPAM.

Mumshad Ali welcomed the CCP delegation by saying that competition plays crucial role in business development as it encourages businessmen to invest in technology to bring innovation. He said PAPAM will work together with CCP in creating awareness about the Competition Law by arranging seminars and other advocacy sessions for its members.

Addressing the participants, CCP Member Shahzad Ansar reiterated CCP's resolve to work towards the promotion of voluntary compliance of the Competition Law and in this regard, the business community

will be taken on board by keeping a regular liaison through focal persons. He said that the objective of CCP's Road Show is to inform the business community of the benefits of a competitive economy.

Presentations were made by CCP Members on the Competition Law and the participants were briefed on filing complaints with CCP, Merger filings, merger thresholds and other rules and regulations of CCP.

A detailed presentation by Ikram Ul Haque Qureshi, Member CCP, gave an overview of Competition Regime in Pakistan and the substantive provisions of the Competition Act, 2010. He informed the participants that compliance with the Competition Law protects busi-

nesses from anti-competitive activities and leads to innovation, lawful profits and business development. He encouraged businessmen to approach CCP for taking advice regarding mergers or any other matter related with the Competition Law.

Shahzad Ansar in his presentation on explained the role of the Office of Fair Trading in dealing with deceptive marketing practices.

He shared the contact details of CCP to facilitate businessmen to file complaints with CCP regarding deceptive marketing practices.

In the interactive session, the participants highlighted various competition issues and urged CCP to play its role for their resolution.

Trade bodies urged to avoid anti- competitive activities

RECORDER REPORT

LAHORE: The Competition Commission of Pakistan (CCP) has urged the trade associations to avoid price fixing and other anti-competitive agreements and seek guidance from the Commission for better compliance with the relevant law.

CCP Member Shahzad Ansar stated this while speaking at a National Road Show on Competition Law organized by the Competition Commission of Pakistan. The Pakistan Association of Automotive Parts & Accessories Manufacturers (PAAPAM) office bearers including Chairman Mumshad Ali, CCP Members Shahzad Ansar, Ikram Ul Haque Qureshi, CCP Directors Asfandyar Khattak, Syed Umair Javed attended the seminar.

CCP Members made presentations on the Competition Law and briefed the participants about filing complaints with CCP, merger filings, merger thresholds and other rules and regulations of CCP.

Businessmen briefed on competition laws

LAHORE: Competition Commission of Pakistan (CCP) organised a seminar at Lahore Chamber of Commerce and Industry (LCCI) as part of its National Road Show on Competition Law. LCCI Senior Vice President Almas Hyder, CCP Members Shahzad Ansar, Ikram Ul Haque Qureshi, CCP Directors Asfandyar Khattak, Syed Umair Javed, LCCI members of the executive committee and a large number of businessmen attended the seminar.

In his welcome address, Almas Hyder stressed the need to enhance economic efficiency of the country; maintaining balance between profitability of businesses, and at the same time welfare and protection of consumers' rights. "By way of following pro-active approach, Competition Commission of Pakistan should ensure that no stakeholder takes

or be given undue advantage over others. CCP has got important and effective role to play especially when cartels are being formed," he mentioned.

He appreciated the initiative taken by the CCP to hold a national road show all over Pakistan on Competition Law, saying that it would improve awareness among all the stakeholders. "I assure that Lahore Chamber will extend you every possible cooperation with regard to promoting familiarization of the Competition Law and improving the current state of affairs," he added.

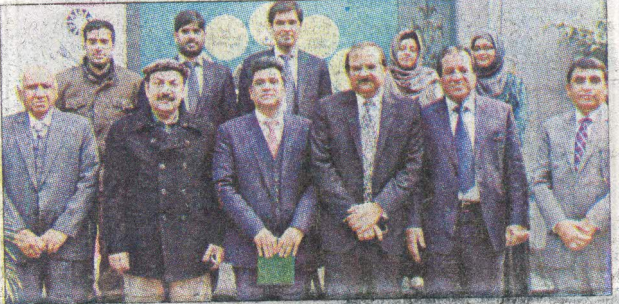

While, the CCP Member Shahzad Ansar said, the Commission had successfully held seminars in 20 cities and in the last round, seminars are being organized in Punjab. "We have received encouraging response from business community and we hope that our Road

Show will achieve its desired objectives. And CCP will remain in touch with Chambers of Commerce through focal persons who will help assist CCP in resolving competition issue being faced by business community," he assured. The participants were briefed on the importance of Competition Law enforcement for creating a level playing field for businesses, the salient features of the law, and the benefits drawn by the consumers after getting protected from anti-competitive practices.

In his presentation on the Overview of Competition Regime in Pakistan, the CCP Member Ikram Ul Haque Qureshi said that Competition Law prohibits anti-competitive practices such as abuse of dominant position, cartelization, deceptive marketing and also empowers CCP to review mergers. - APP
